75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES  
COUNTY OF MIDDLESEX

To Wit:

BY VIRTUE OF A WARRANT issued by the Warden of the County of Middlesex under his hand and the seal of the Corporation of the County of Middlesex, to me directed, and bearing date the 22nd day of May, 1964, commanding me to levy upon and sell the lands in the County of Middlesex mentioned in the following list for arrears of taxes and costs, inclusive of commission, I hereby give notice that if such arrears of taxes and costs are not sooner paid, I shall proceed to sell by public auction the said lands for the payment of the said taxes and costs.

The Tax Sale shall be held in the lower Assembly Room, in the New County Building, in the City of London, on Monday, the 23rd day of November, 1964, at the hour of 1.30 o'clock in the afternoon. All of the following lands are patented. The Adjourned Sale, if any, will be held on Monday, the 30th day of November, 1964, at the same time and in the same place as the sale. The following lands include tax arrears to the 31st day of December, 1963, but will be sold subject to the purchaser paying any taxes owing and accruing after that date.

DEREK NEWTON,  
Treasurer, County of Middlesex.

TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES  
CORPORATION OF THE CITY OF PETERBOROUGH

To Wit:

BY VIRTUE OF A WARRANT issued by the mayor of the City of Peterborough, under his hand and seal of the Corporation of the City of Peterborough, bearing date the 11th day of May, 1964, to me directed, commanding me to levy upon and sell the lands mentioned in the following list for arrears of taxes and costs due thereon, I hereby give notice that unless such arrears of taxes and costs are sooner paid I shall, pursuant to the provisions of The Assessment Act, proceed to sell by public auction the said lands to discharge such arrears of taxes and costs thereon, at the Council Chambers of the City Hall in the City of Peterborough on Wednesday, the 18th day of November, 1964, at the hour of 2.00 o'clock in the afternoon.

AND NOTICE IS FURTHER GIVEN, that in the event of insufficient bids being received to meet such charges and costs, together with arrears due on the said lands, an adjourned sale will be held at the same place and at the same hour on Thursday, the 26th day of November, 1964, and that at such adjourned sale it is the intention of the Corporation to purchase such lands as remain unsold.

Dated at Peterborough, Ontario, the 10th day of July, 1964.

D. W. HILL,  
Treasurer, City of Peterborough.

### REGULATION MADE UNDER THE RADIOLOGICAL TECHNICIANS ACT, 1962-63

#### GENERAL

1. A candidate for admission to a course of training for radiological technicians prescribed by section 2 shall be the holder of,

(a) The Ontario Secondary School Graduation Diploma of the General Course with at least four options of which two shall be mathematics and science or agricultural science; or

(b) equivalent standing as determined by the Minister of Education.

2. The courses of training for radiological technicians shall be based on the Syllabus of the Canadian Society and shall comprise,

(a) a course of training in Diagnostic Radiological Technique consisting of,

(i) instruction in each of the subjects in column 1 of Schedule 1 for at least the time set opposite each subject in column 2,

(ii) clinical experience and training in each of the types of examinations in column 1 of Schedule 2 in at least the number of examinations set opposite each type in column 2 and for at least the time set opposite each type in column 3, and

(iii) practical experience of the types referred to in column 1 of Schedule 3 for at least the time set opposite each type in column 2; or

(b) a course of training in Therapeutic Radiological Technique consisting of,

(i) instruction in each of the subjects in column 1 of Schedule 4 for at least the time set opposite each subject in column 2,

(ii) clinical experience and training in the types of treatments in column 1 of Schedule 5 in at least the number of cases in column 2, for at least the time in column 3 and with the type of radiation in column 4, and

(iii) practical experience of the types referred to in column 1 of Schedule 6 for at least the time set opposite each type in column 2,

under the direction of a radiologist and supervised by a registered radiological technician at a training school approved by the Board on or before the 1st day of August, 1964.

3.—(1) The Board, at least twice a year and at such times and places as the Board deems necessary, shall conduct or cause to be conducted examinations for candidates for registration who are in attendance at or graduates of courses for radiological technicians.

(2) A candidate for registration who is in attendance at or is a graduate of a course of training for radiological technicians prescribed under section 2 shall apply in writing to the registrar at least sixty days before the examinations are to be held and shall submit with his application,

(a) proof, in form satisfactory to the registrar, of completion of the course of training prescribed under section 2; and

(b) the examination fee of \$20.

(3) Where the Board is satisfied with an application under subsection 2, it shall direct the registrar to notify the candidate of the date, time and place of the examinations.

4. Where a person referred to in subsection 2 of section 3 has tried the examinations under subsection 1 of section 3 and has,

(a) failed in not more than two subjects; or

(b) failed in more than two subjects,

the person may, upon paying the supplemental examination fee of \$20 and notifying the registrar at least sixty days before the date of the supplemental examination, try at the supplemental examination,

(c) in the case of a person referred to in clause a, the subject or subjects in which he has failed; or

(d) in the case of a person referred to in clause b, all the examination subjects,

but no person shall try an examination in any one subject more than three times.

5.—(1) A person referred to in subsection 2 of section 3 who has,

(a) passed the examinations under subsection 1 of section 3; or

- (b) passed the supplemental examinations referred to in clauses *c* and *d* of section 4,

shall apply for registration in Form 3 and pay the registration fee of \$12.

(2) A person referred to in clause *a* or *b* of subsection 1 of section 5 of the Act shall apply for registration in Form 3.

6.—(1) The Board, within one year from the 1st day of August, 1964 and at such places as the Board deems necessary, shall conduct or cause to be conducted for persons referred to in clause *c* of subsection 1 of section 5 of the Act examinations based on the Radiobiology and Protection portion of the Syllabus of the Canadian Society.

(2) A person referred to in clause *c* of subsection 1 of section 5 of the Act shall apply in writing to the registrar within one year from the 1st day of August, 1964 and at least sixty days before the examinations are to be held and shall submit with his application,

- (a) two letters testifying to his good moral character;
- (b) proof, in form satisfactory to the Board, that he has been practising in Ontario as a radiological technician under a legally qualified medical practitioner for a period of five years before the 1st day of August, 1964; and
- (c) pay the examination fee of \$25.

(3) Where the Board is satisfied with an application under subsection 2, it shall direct the registrar to notify the candidate of the date, time and place of the examination.

(4) Where a person referred to in clause *c* of subsection 1 of section 5 of the Act has tried the examination under subsection 1 and has failed the examination the person may, upon paying the supplementary examination fee of \$20 and notifying the Board at least sixty days before the date of the supplemental examination, try the supplemental examination, but no person shall try the examination more than three times.

(5) A person referred to in clause *c* of subsection 1 of section 5 of the Act who has passed,

- (a) the examinations under subsection 1; or
- (b) the supplemental examinations referred to in subsection 4,

shall apply for registration in Form 4 and pay the registration fee of \$12.

7. The Board may register a person who is a radiological technician in a jurisdiction outside Ontario and,

- (a) is registered under a regulation similar to this Regulation; or
- (b) has successfully completed a course of training for radiological technicians under a regulation similar to this Regulation and is entitled to be registered under that regulation,

and satisfies the Board as to his ability to practise in Ontario as a radiological technician and pays a registration fee of \$12.

8.—(1) A certificate of registration shall be in Form 1.

(2) A certificate of registration expires if the renewal fee of \$7 is not paid on or before the 31st day of December in each year.

(3) An application for renewal of registration shall be in Form 2.

(4) Where a certificate of registration expires, the registrar shall strike the name of the former holder of the certificate from the register and shall notify him by registered mail addressed to his last address shown on the register that his registration has expired.

9.—(1) Where the name of a radiological technician has been struck off the register under section 8, and the radiological technician,

- (a) submits proof, in form satisfactory to the Board, of his competence as a radiological technician in the year in which he wishes to resume practise in Ontario; and
- (b) pays a re-registration fee of \$15,

the registrar shall re-register the radiological technician and issue him with a certificate of registration.

(2) Where a registered radiological technician who ceases to practise in Ontario,

- (a) so notifies the Board in writing during the registration year in which he ceases to practise;
- (b) submits proof, in form satisfactory to the Board, of his competence as a radiological technician in the year in which he wishes to resume practise in Ontario; and
- (c) pays the re-registration fee of \$7 for the registration year in which he wishes to resume practise in Ontario,

the registrar shall re-register the radiological technician and issue him with a certificate of registration.

10. For the purposes of the Act, "unprofessional conduct" means,

- (a) the use by a registered radiological technician of radiation, radium or ionizing particles for therapy or diagnosis in such negligent or hazardous manner as is likely to cause bodily harm to a patient or other person; or
- (b) such infamous, disgraceful or improper conduct on the part of a registered radiological technician as to render it desirable in the public interest that his registration be revoked or suspended.

11. A member of the Board, while carrying out his duties under the Act, shall be paid,

- (a) a fee of \$15 a day, but not exceeding \$300 in a year; and
- (b) the amount spent by him in travelling and living expenses.

12. This Regulation comes into force on the 1st day of August, 1964.

## THE CHILDREN'S INSTITUTIONS ACT, 1962-63

O. Reg. 186/64.

General.

Made—July 16th, 1964.

Filed—July 20th, 1964.

### REGULATION MADE UNDER THE CHILDREN'S INSTITUTIONS ACT, 1962-63

1. Sections 20 and 21 of Ontario Regulation 279/63 are revoked and the following substituted therefor:

20.—(1) In this section and in section 21,

(a) "liquid assets" means cash, bonds, debentures, stocks and any other assets that can be readily converted into cash, and includes the beneficial interest in assets held in trust and available to be used for living expenses, but does not include the amount remaining to be paid to a parent under a mortgage or agreement for sale or the cash surrender value of a life insurance policy;

(b) "living expenses" includes the expenses for food, clothing, shelter, fuel, utilities, household sundries, household maintenance, medical and dental services, premiums for medicare, hospitalization or life insurance and such other expenses for necessities as are of a continuing nature; and

(c) "net cost" means the actual average daily cost to an approved corporation for the care and maintenance of the children who resided in the children's institution maintained and operated by the corporation during the year ending with the immediately preceding 31st day of December.

(2) For the purposes of clause *a* of section 7 of the Act, financial circumstances are determined by deducting,

(a) from the total amount of the liquid assets, or interest therein, owned by each parent, when added together, an amount not exceeding \$1,000 plus \$200 in respect of each dependent child maintained by the parent; and

(b) from the total amount of income received by each parent, when added together, the total amount of the living expenses of the parent and each dependent child maintained by him.

(3) The maximum amount to which the Province may contribute under section 7 of the Act is 50 per cent of the net cost that is paid by an approved corporation for the care and maintenance of a child in a children's institution maintained and operated by the corporation, computed in accordance with section 21.

(4) Where,

(a) the financial circumstances as determined under subsection 2 do not permit the parent to pay in full for the cost of the care and maintenance of the child in a children's institution; and

(b) the cost or any part thereof is paid by the approved corporation that maintains and operates the institution,

the Province shall contribute to the corporation an amount equal to 50 per cent of the net cost that is paid by the corporation, computed in accordance with section 21.

21.—(1) An application by an approved corporation for a monthly payment of the provincial subsidy under section 7 of the Act shall be made in triplicate in Form 4 and the application for each month shall be furnished to the Minister not later than the 20th day of the following month.

(2) The amount to be paid by the Province to an approved corporation under section 7 of the Act shall be computed in accordance with Form 4.

(3) Where a parent is not paying any part of the net cost of the care and maintenance of his child who is a resident in a children's institution and is able to pay the whole or part of such cost as determined under subsection 2 of section 20 by the provincial supervisor, that resident shall not be taken into account for the purposes of computing the provincial subsidy in Form 4.

(4) Where the financial circumstances of a parent, as determined under subsection 2 of section 20, permit the parent to pay more of the net cost of the care and maintenance of his child in a children's institution than he is paying, the additional amount that the provincial supervisor determines to be payable by the parent shall be calculated as if it has been paid, for the purposes of computing the provincial subsidy in Form 4.

2. Schedule 1 to Ontario Regulation 279/63 is amended by adding thereto the following items:

1a. Big Sister Association

9a. Mount St. Joseph	5a. Mount St. Joseph Centre, 354 King Street West, Hamilton
15a. Protestant Children's Village Board	5b. Protestant Children's Village, 983 Carling Avenue, Ottawa
3. Schedule 3 to Ontario Regulation 279/63 is amended by adding thereto the following items:	4. Form 4 of Ontario Regulation 279/63 is revoked and the following substituted therefor:

## THE FARM PRODUCTS MARKETING ACT

O. Reg. 189/64.

Apples—Marketing.

Made—July 16th, 1964.

Filed—July 24th, 1964.

### REGULATION MADE UNDER THE FARM PRODUCTS MARKETING ACT

1. In this Regulation,

- (a) "apples" means apples of every variety produced in Ontario;
- (b) "Association" means The Ontario Fruit and Vegetable Growers' Association incorporated under *The Agricultural Associations Act*;
- (c) "processing" means baking, canning, dehydrating, drying, freezing, slicing or processing with sugar or sulphur dioxide or any other chemical;
- (d) "producer" means a producer of apples in Ontario.

2. This Regulation applies to the producing and marketing of apples locally within Ontario.

3. The programme in the Schedule is established for the stimulating, increasing and improving of the marketing locally within Ontario of apples by advertising, education, research or other means.

4. The Association is designated as the representative association of producers of apples in Ontario for the carrying out of the programme in the Schedule.

5. Every producer shall pay to the Association licence fees on all apples produced and marketed by him,

- (a) where the apples are marketed for processing, at the rate of 4 cents for each 100 pounds or fraction thereof of apples sold to the processor;
- (b) where the apples are marketed for the production of juice, at the rate of 2 cents for each 100 pounds or fraction thereof of apples sold to the processor; and
- (c) where the apples are marketed for any purpose other than processing or the production of juice, at the rate of 3 cents for each 40 pounds or fraction thereof of apples sold to any person.

6.—(1) The licence fees payable by a producer to the Association under section 5 shall be paid,

- (a) subject to subsection 2, in respect of apples sold on or after the 15th day of July but before the 1st day of November, not later than the 15th day of November next following;
- (b) in respect of apples sold on or after the 1st day of November but before the 1st day of February, not later than the 15th day of February next following;
- (c) in respect of apples sold on or after the 1st day of February but before the 1st day of May, not later than the 15th day of May next following; and
- (d) in respect of apples sold on or after the 1st day of May but before the 15th day of July, not later than the 15th day of August next following.

(2) Where a producer sells apples during the period referred to in clause a of subsection 1, he may elect to pay not less than 50 per cent of the licence fees payable under section 5 not later than the 15th day of November and, where a producer so elects, he shall pay the remaining amount of such licence fees not later than the 15th day of February next following.

7. The Association is authorized to use the licence fees received by it for the purposes of defraying its expenses in the carrying out of the programme in the Schedule.

8. The Association shall furnish to the Board such information and financial statements as the Board determines.

### Schedule

#### *The Farm Products Marketing Act*

### PROGRAMME

1. This programme may be cited as "The Ontario Apple Promotion Programme".

2. This programme provides for the stimulating, increasing and improving of the marketing locally within Ontario of apples by the following means:

1. Advertisement of apples and apple products by,

- (a) direct advertising in newspapers and magazines and on radio and television programmes;
- (b) preparation and use of package inserts as advertising material;
- (c) preparation and distribution of display material to sales outlets;
- (d) supplying information to editors of leaflets and pamphlets for food shoppers;
- (e) preparing and distributing press releases to editors of newspapers and magazines;
- (f) preparation of spot announcements for use by announcers and commentators on radio and television programmes;
- (g) supplying information for contests that provide publicity for food; and
- (h) preparation and distribution of leaflets and booklets that relate to the use of apples, including recipes requiring the use of apples or apple products.

2. Education in respect of the production, distribution and sale of apples by,

- (a) recommendations for efficient procedures in producing, harvesting, storing and handling of apples;
- (b) recommendations respecting standards of quality required to maintain a continuing market appeal for apples and apple products;
- (c) providing for co-operation of organizations that assist in the development of new markets, expansion of existing markets and reduction in costs of marketing apples;
- (d) furnishing information on crop conditions, marketing prospects, marketing conditions that develop during the crop season and packing and storing of apples; and
- (e) arranging for viewing of films that furnish information respecting the production and sale of apples and the uses for apples and apple products.

3. Research on marketing of apples by surveys, examinations, tests, studies and experiments that are carried out with the object of,

- (a) increasing consumer acceptance of apples and apple products;
- (b) expanding markets for apples and apple products; and
- (c) improving conditions that adversely affect any phase of the marketing of apples.

4. Development and improvement of public relations with persons and organizations by,

- (a) co-operation on projects that increase sales of apples and apple products;
- (b) promoting better understanding by consumers of the value and use of apples and apple products;
- (c) assisting in the arrangement of demonstrations and exhibits that include the promotion of apples and apple products; and
- (d) discussions with persons interested in any phase of the marketing of apples and apple products.

## Application to Parliament Private Bills

### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

**SCHEDULE A.**—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make

such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the house to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

### THE FARM PRODUCTS MARKETING ACT

**O. Reg. 193/64.**

Eggs and Fowl—Marketing.

Made—July 22nd, 1964.

Filed—July 28th, 1964.

#### REGULATION MADE UNDER THE FARM PRODUCTS MARKETING ACT

##### EGGS AND FOWL—MARKETING

##### 1. In this Regulation,

- (a) "dealer" means a person, other than a processor, who buys or receives fowl from a producer;
- (b) "eggs" means eggs of a domestic hen produced in Ontario;
- (c) "fowl" means a domestic hen not less than six months of age that is produced in Ontario and lays eggs;
- (d) "local board" means The Ontario Egg and Fowl Producers' Marketing Board;
- (e) "plan" means The Ontario Egg and Fowl Producers' Marketing Plan;
- (f) "processing" means the slaughtering of fowl;
- (g) "processor" means a person engaged in the slaughtering of fowl;
- (h) "producer" means a person engaged in the production of eggs and fowl.

2. This Regulation applies to the control and regulation in any or all respects of the marketing within Ontario of eggs and fowl.

3. The Board exempts from this Regulation eggs and fowl produced in,

- (a) the territorial districts of Ontario; and
- (b) the Provisional County of Haliburton.

4.—(1) No person shall commence or continue to engage in the producing of eggs and fowl except under the authority of a licence as a producer of eggs and fowl in Form 1.

(2) Every producer shall be deemed to be the holder of a licence in Form 1.

5.—(1) No person shall commence or continue to engage in the dealing in fowl except under the authority of a licence as a dealer in fowl in Form 3.

(2) No licence as a dealer in fowl shall be issued except upon application therefor in Form 2.

6.—(1) No person shall commence or continue to engage in the processing of fowl except under the authority of a licence as a processor of fowl in Form 5.

(2) No licence as a processor of fowl shall be issued except upon application therefor in Form 4.

7.—(1) A licence in Form 3 or 5 expires with the 31st day of August next following the date on which the licence is issued.

(2) A licence in Form 3 or 5 shall be issued without charge.

8.—(1) The Board may refuse to grant a licence where the applicant is not qualified by experience, financial responsibility and equipment to engage in properly the business for which the application was made, or for any other reason that the Board deems proper.

(2) The Board may suspend or revoke or refuse to renew a licence for failure to observe, perform or carry out the provisions of the Act, the regulations, the plan or any order or direction of the Board or the local board.

(3) Any person whose licence was refused, suspended or revoked or was not renewed may appear before the Board to show cause why such licence should not be refused, suspended or revoked or why such renewal should not be refused, as the case may be.

9.—(1) Every producer shall pay to the local board licence fees at the rate of two cents for each fowl produced by him that is used for processing.

(2) Every dealer or processor who receives any fowl from a producer shall deduct the licence fees payable to the local board by the producer from the moneys payable to the producer.

(3) Every dealer or processor shall forward to the local board the licence fees deducted under subsection 2 in any month not later than the 15th day of the next following month.

(4) Every person who produces and processes fowl shall pay to the local board the licence fees payable by such person not later than the 15th day of the month next following the month in which the fowl was processed.

(5) The local board may recover the licence fees payable to it from a producer, dealer or processor, as the case may be, by suit in a court of competent jurisdiction.

10.—(1) The Board authorizes the local board to use the licence fees and other moneys payable to it for the purpose of paying the expenses of the local board, carrying out and enforcing the Act and the regulations and carrying out the purposes of the plan.

(2) The Board authorizes the local board to establish a fund in connection with the plan for the payment of any moneys that may be required for the purposes mentioned in subsection 1.

11. The Board delegates to the local board the power,

- (a) to require persons engaged in producing or marketing eggs and fowl to furnish such information relating to the production or marketing of eggs and fowl as the local board determines;
- (b) to appoint persons to inspect the books, records, lands and premises and any eggs and fowl of persons engaged in the marketing of eggs and fowl;
- (c) to stimulate, increase and improve the marketing of eggs and fowl by such means as it deems proper.

12.—(1) There shall be a negotiating agency to be known as "The Negotiating Committee for Eggs and Fowl" composed of seven persons to be appointed on or before the 15th day of October in the year 1964 and on or before the 1st day of September in each year thereafter, of whom three shall be appointed by the local board, three shall be appointed by the dealers and processors and the chairman shall be appointed by the Board from its members.

(2) Where the local board or the dealers and processors fail to appoint the persons in accordance with subsection 1, the Board may appoint such representatives as are necessary to complete the negotiating agency.

(3) The first members of the negotiating agency shall hold office until the 31st day of August, 1965 and thereafter each member of the negotiating agency shall be appointed to hold office until the 31st day of August of the year next following his appointment.

(4) Where a member of the negotiating agency dies or resigns or is unavailable to act before the expiration of his term of membership, the local board or the processors and dealers, as the case may be, who appointed him shall appoint a person for the unexpired term of the member who died, resigned or was unavailable to act.

(5) Where the local board or the processors and dealers, as the case may be, fail to make an appointment under subsection 4, the Board may appoint such persons as are necessary to complete the negotiating agency.

13. The Negotiating Committee for Eggs and Fowl may settle by agreement,

- (a) terms, conditions and forms of agreements relating to the producing or marketing of eggs and fowl; and
- (b) any charges, costs or expenses relating to the production or marketing of eggs and fowl.

14. The Negotiating Committee for Eggs and Fowl may make recommendations to the local board on market research and market promotion for eggs and fowl.

15. A meeting of The Negotiating Committee for Eggs and Fowl may be convened by a notice in writing given by the three members appointed by the local board or by the three members appointed by the dealers and processors to the other members and the chairman at least seven days but not more than ten days before the date of the meeting, stating the time and place of the meeting.

16. This Regulation comes into force on the 1st day of October, 1964.

## Application to Parliament Private Bills

### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the house to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

## THE INDUSTRIAL SAFETY ACT, 1964

O. Reg. 196/64.

General.

Made—July 23rd, 1964.

Filed—July 31st, 1964.

## REGULATION MADE UNDER THE INDUSTRIAL SAFETY ACT, 1964

### GENERAL

#### INTERPRETATION

#### 1. In this Regulation,

- (a) "chief inspector" means the person designated by the Minister as the chief inspector;
- (b) "lifting device" means a device that is used to raise or lower any material or object and includes its rails and other supports but does not include a device to which *The Elevators and Lifts Act* or *The Construction Hoists Act, 1960-61* applies;
- (c) "prime mover" means an initial source of motive power;
- (d) "transmission machinery" means any object or objects by which the motion of a prime mover is transmitted to a machine that is capable of utilizing such motion and includes a shaft, pulley, belt, chain, gear, clutch or other device.

#### GENERAL

2.—(1) An application under subsection 2 of section 16 of the Act for approval of the drawings and specifications of the construction, reconstruction, addition to or alteration of a building to which the section applies shall be in Form 1.

(2) Subject to subsection 3, the fees to be paid by the applicant for the approval by an engineer of the Department of drawings and specifications submitted to him shall be, where the estimated cost approved by him is,

- (a) not more than \$100, nil;
- (b) more than \$100 but not more than \$1,000, \$3; and
- (c) more than \$1,000,
  - (i) \$3, and
  - (ii) \$1 for each additional \$1,000, or fraction thereof in excess of the first \$1,000.

(3) No fee greater than \$5,000 shall be payable in any event.

3.—(1) A notice under subsection 2 of section 11 of the Act shall be in Form 2.

(2) An application under subsection 2 of section 27 of the Act for a permit,

- (a) to employ a homemaker shall be in Form 3; or
- (b) to do homework shall be in Form 4.

4. No person in an industrial establishment shall misuse, or without reasonable cause, remove or interfere with anything provided for securing the safety or welfare of any person in or about the industrial establishment.

5. No person in an industrial establishment shall use anything provided under the Act or this Regulation for a purpose other than the purpose for which the thing is provided.

6. No person in an industrial establishment shall engage in any contest, feat of strength, unnecessary running or rough or boisterous conduct that is likely to endanger the safety of any person.

7.—(1) Every employer who is in charge of a factory shall ensure that no person whose faculties are impaired by alcohol or a drug or who has in his possession any alcohol remains in the factory.

(2) No person whose faculties are impaired by alcohol or a drug or who has in his possession any alcohol or drug shall enter or remain in any factory.

8. No employer shall require a person to lift, carry or move anything so heavy or in such manner as to be likely to endanger his safety or the safety of any other person in an industrial establishment.

9.—(1) No employer shall knowingly permit any person who is affected with a communicable disease within the meaning of *The Public Health Act* to work in an industrial establishment except in compliance with *The Public Health Act*.

(2) No person who to his knowledge is affected with a communicable disease within the meaning of *The Public Health Act* shall work in an industrial establishment, except in compliance with *The Public Health Act*.

10. Every employer shall ensure that no part of a factory or shop is kept or used for sleeping without the written consent of the chief inspector.

#### DANGEROUS PLACES

#### 11. Every employer shall ensure that,

- (a) every opening, place or thing that is likely to be a source of danger to any person is securely fenced or guarded;
- (b) every floor, roof or other part of a building or structure is,
  - (i) capable of safely supporting or withstanding any load to which it is likely to be subjected, and
  - (ii) so loaded as to be capable of supporting or withstanding such load, and
- (c) the maximum safe load that the floor or roof of the building or structure is capable of bearing is conspicuously marked or posted to the satisfaction of an inspector when so directed by him.

12.—(1) No confined space referred to in this section shall be tested by any person other than a competent person,

- (a) designated by the employer; and
- (b) whose name is recorded on the premises and is at all times available to an inspector,

and such person shall record the result of each test conducted by him.

(2) Every employer shall ensure that any tank, vat, chamber, pit, pipe, flue or other confined space that may be entered by any person,

- (a) has a suitable man-hole or other means of easy egress from all accessible parts of the confined space; and
- (b) is safe for entry.

(3) Where gases, vapours, mists, fumes or dusts that are likely to be dangerous to a person are present in any of the confined spaces referred to in subsection 2, or there is in the confined space a deficiency of oxygen or a temperature that is likely to be dangerous to a person, the employer shall ensure that no person enters the space unless,

- (a) every practicable step has been taken to remove from the confined space such gases, vapours, mists, fumes or dusts;
- (b) effective steps have been taken to prevent entry into the confined space of additional quantities of such gases, vapours, mists, fumes or dusts;
- (c) the confined space has been competently tested and found safe for entry without the use of a breathing apparatus; and
- (d) ventilation adequate for the safety of any person therein is provided.

(4) Where any of the confined spaces referred to in subsection 2 has been tested and found,

- (a) unsafe for entry; or
- (b) safe for entry but may thereafter become unsafe to remain in or enter,

unless the person is using a suitable breathing apparatus, the employer shall ensure that no person enters or remains in such confined space unless,

- (c) the person is using a suitable breathing apparatus and a safety harness or other similar equipment to which is securely attached a rope, the free end of which is held by a person equipped with a suitable alarm who is keeping watch outside the confined space and who is capable of pulling such person from the confined space;
- (d) the safety harness, rope and other equipment mentioned in clause *c* is periodically inspected by the employer and is maintained in good working order at all times;
- (e) there is conveniently available a person adequately trained in artificial respiration; and
- (f) the person is using such other equipment necessary to ensure his safety.

(5) Where a confined space has been tested and found safe for entry for a specified time but may thereafter become unsafe unless a person is using a suitable breathing apparatus, the employer shall ensure that any person who enters the space without using a suitable breathing apparatus,

- (a) leaves the space at the end of the specified time; and
- (b) does not re-enter or remain in the space except in compliance with clauses *c*, *d*, *e*, and *f* of subsection 4.

(6) Where any confined space contains any dangerous liquid or solid or is at a temperature that endangers the safety of any person, the employer shall

ensure that no person enters or remains in the space unless he is using equipment or devices that will ensure his safety.

13.—(1) No employer shall use any silo, bin, hopper, structure, container or thing for containing or storing any dry bulk material or employ any person to work in connection therewith, unless the silo, bin, hopper, structure, container or thing is so constructed as to permit the safe removal of the material therefrom.

(2) No employer shall use any silo, bin, hopper, structure, container or thing that is constructed to discharge from the bottom, dry bulk material contained or stored in it, or employ any person to work in connection therewith, unless the top of the silo, bin, hopper, structure, container or thing is,

- (a) provided with a solid cover;
- (b) guarded with a metal grating or bars;
- (c) traversed by a gangway; or
- (d) encircled or encompassed at its perimeter by a platform having a railing,

satisfactory to an inspector.

(3) Every employer shall ensure that no person enters or remains in and no person shall enter or remain in any silo, bin, hopper, structure, container or thing for containing or storing bulk material unless,

- (a) it is necessary so to do;
- (b) all further supply of material thereto is stopped and proper precautions are taken to prevent any further supply;
- (c) the person is wearing a safety harness or other similar equipment attached to a rope or lifeline that is as short as practicable under the circumstances and one end of which is securely fastened to a fixed object outside the silo, bin, hopper, structure, container or thing; and
- (d) at least one other person equipped with a suitable alarm and capable of rendering any necessary assistance is keeping watch nearby.

14. Every employer shall ensure that no person works and no person shall work on or near any bulk material that is so piled or disposed as to be likely to endanger his safety.

15.—(1) Every employer shall ensure that every tank, vat or other container for holding a liquid, the top edge of which is less than three feet six inches above the highest floor, ground or platform from which a person might fall into it, is securely covered or securely fenced to at least three feet six inches above such floor, ground or platform.

(2) Where, in the opinion of an inspector, the covering or fencing required by subsection 1 is not practicable, the employer shall ensure that all practicable means satisfactory to the inspector are taken to prevent any person from falling into the tank, vat, or other container.

(3) Where the tank, vat, or other container is safeguarded by any means other than covering or fencing under subsection 1, the employer shall ensure that any stair or gangway above, across or inside the container is,

- (a) at least twenty-two inches wide;
- (b) provided with an upper rail and either an intermediate rail and toe board or equivalent protection on both sides to a height of not less than three feet six inches; and
- (c) securely fixed.

## DANGEROUS MATERIAL

## 16. Where,

- (a) any grinding, polishing, screening or other process is likely to produce dust or other particles of such size or character and to such an extent as to be capable of producing a flammable mixture; or
- (b) any mixing, handling, dispensing or storage of any material is likely to produce a gas, vapour or mist of such character and to such extent as to be capable of producing a flammable mixture,

the employer shall ensure that all practicable steps are taken to,

- (c) enclose the equipment used in the process;
- (d) prevent or remove any accumulation of dust, vapour, gas or mist that may escape from the enclosure;
- (e) exclude or effectively enclose all potential sources of ignition of the flammable mixture;
- (f) restrict the spread and effects of any burning or explosion by the provision of vents, baffles and chokes, or other devices satisfactory to an inspector; and
- (g) when so directed by an inspector, create and maintain an inert atmosphere in contact with dust or other particles mentioned in clause *a* or mixed with the gas, vapour or mist mentioned in clause *b*.

17. Where any gas, liquid, vapour or dust is under pressure other than atmospheric pressure, no person shall open its container and every employer shall ensure that the container is not opened unless,

- (a) before any fastening of the container and of any container connected therewith is loosened, any flow into or out of such container is effectively stopped; and
- (b) before any fastening of the container is removed, all practicable steps are taken to adjust the pressure of gas, vapour, liquid or dust in the container so that the pressure equals atmospheric pressure,

and if any such fastening has been loosened or removed, every employer and other person shall ensure that no gas, vapour, liquid or dust enters the container until the fastening has been secured or securely replaced.

18. Every employer shall ensure that no container that is or has been used for any explosive or flammable substance shall be altered or repaired, and no person shall alter or repair the container by welding, brazing, soldering or any operation that involves an open flame or other potential source of ignition, unless all practicable steps have been taken to,

- (a) remove the substance and any fume, gas, vapour or dust arising from it; or
- (b) render the substance and any fume, gas, vapour or dust arising from it non-explosive or non-flammable,

and if such container has been subjected to any such alteration or repair, the employer and employee shall ensure that no explosive or flammable substance enters the container until the container has cooled sufficiently to prevent any risk of igniting the substance.

19. Subject to *The Energy Act* and *The Gasoline Handling Act* and the regulations under those Acts, every employer in an industrial establishment shall

ensure that any dangerous, flammable or explosive material, substance or thing in a solid, liquid or gaseous state or any combination of them, that is kept, stored or handled,

- (a) is in a container that is suitable having regard to the nature and state of the material, substance or thing; and
- (b) is safely apart or insulated from any reasonably foreseeable source of ignition or from temperatures likely to cause combustion,

and where the material, substance or thing is kept, stored or handled for a purpose other than immediate manufacture or immediate use or sale, it shall be kept, stored or handled,

- (c) outside any building;
- (d) in a building not used for any other purpose; or
- (e) in a fire-resistive compartment satisfactory to an inspector as to location and construction.

## VENTILATION AND DUST CONTROL

## 20. Every employer shall,

- (a) provide for a supply of fresh air into, and the removal of air from an industrial establishment that is sufficient to keep the air reasonably pure and to render harmless so far as is reasonably practicable all gases, vapours, dusts or other impurities that are likely to endanger the safety of any person therein;
- (b) where a process is carried on that produces a gas, vapour, dust or other impurity that is likely to be inhaled to an injurious extent by persons in the industrial establishment, provide and use such mechanical means satisfactory to an inspector, as are capable of,
  - (i) preventing as far as is reasonably practicable such inhalation,
  - (ii) effectively carrying off and disposing of such gases, vapours or dusts, and
  - (iii) preventing the recirculation and re-entry into the industrial establishment of air containing such impurities.
- (c) ensure that air exhausted from any process using silica, benzol, lead, asbestos, beryllium or other toxic or hazardous material is discharged to the outdoors so as not to endanger the safety of any person in the industrial establishment and is not returned to the industrial establishment;
- (d) ensure that any place where dust may accumulate is regularly cleaned by vacuum, wet sweeping, wet shovelling or other method that reduces the dissemination of dust into the atmosphere;
- (e) ensure that all ventilation systems, their collection systems and emptying processes used for controlling the dissemination of gases, vapours, dust or other impurities are working effectively and to the satisfaction of an inspector;
- (f) ensure that dust collectors are not located inside any building of the industrial establishment unless otherwise permitted by an inspector;

- (g) ensure that all equipment used to control or handle gases, vapours, dusts or other impurities is maintained in good operating condition;
- (h) ensure that abrasive blasting or other like operation inside a building is conducted in a blasting enclosure so constructed and ventilated as to effectively prevent dust entering the atmosphere of the building;
- (i) ensure that the system for ventilating the blasting enclosure is in operation while the enclosure is occupied or in use;
- (j) ensure that all abrasive blasting or other like operation that is likely to expose any person to abrasive material or dust that contains free silica, is performed in accordance with the following provisions:
  1. Where the abrasive blasting or other like operation is performed inside a container or blasting enclosure, a sufficient volume of air shall be drawn through the container or enclosure so that dust is rapidly removed after the operation has ceased.
  2. Every person who is performing abrasive blasting or other like operation shall wear a helmet of a type satisfactory to an inspector and supplied for the person's individual use.
  3. The helmet shall be supplied with air at a temperature satisfactory to an inspector, taken from a clean source and not contaminated with oil or other impurities.
  4. Air in a volume sufficient to prevent dust entering from the surrounding atmosphere shall be supplied to the helmet.
- (k) take such additional steps to prevent the production or dissemination of dust as an inspector deems necessary in the circumstances.

21.—(1) Where any abrasive material or dust produced by an abrasive blasting or other like operation does not contain free silica, the blasting operation shall be performed in a manner satisfactory to an inspector.

(2) Where, in the opinion of an inspector, any means of dust control prescribed by this Regulation is impracticable, the inspector shall require the employer to provide an employee who is likely to be exposed to dust with respiratory equipment satisfactory to the inspector.

#### SUBSTANCES DANGEROUS TO HEALTH

22. Where any person in an industrial establishment is exposed to any substance that is likely to endanger his health, the employer shall, when so required by the chief inspector on advice of the director of the Industrial Hygiene Branch, Department of Health, post in a conspicuous place printed forms approved by the director stating the dangers involved and the precautions necessary for the protection of such person.

23. Any manufacturer, distributor or other person offering for use in any industrial process any substance that contains any ingredient that is likely to endanger the safety of any employee in an industrial establishment shall provide accurate information regarding the percentage of such ingredient when requested by the chief inspector or by the director of the Industrial Hygiene Branch, Department of Health.

24.—(1) The chief inspector, on the advice of the director of the Industrial Hygiene Branch, Department of Health may require at specified intervals by qualified physicians and at the expense of the employer a physical examination of any person employed in an industrial establishment having a process that the director considers is likely to endanger such person's safety, and the physician shall forthwith send or cause to be sent to the director, a report of the examination in a form suitable to the director.

(2) The examination required under subsection 1 shall be prescribed by the director and may include an x-ray examination and a blood test or other test.

25.—(1) Any person who, for use in an industrial establishment, manufactures, distributes or purchases any substance that contains benzol, carbon tetrachloride, lead or other ingredient that is deemed dangerous to health by the director of the Industrial Hygiene Branch, Department of Health, shall indicate the presence of such benzol, carbon tetrachloride, lead or other ingredient by a label lettered in legible type, distinctly visible and affixed to each package or container thereof.

(2) Subsection 1 does not apply to lead compounds used only as dryers in the preparation of paint products.

26. Every duly qualified physician shall report forthwith to the director of the Industrial Hygiene Branch, Department of Health, any case of industrial disease or of suspected industrial disease coming to his attention on report forms to be supplied by the director.

#### MACHINERY

27. Every employer shall ensure that clearances adequate for the safety of persons in an industrial establishment are maintained between the moving part of any machine or any material carried by the moving part and any other machine, structure or thing.

28.—(1) Every employer shall ensure that every prime mover, machine, transmission machinery, device, place, matter or thing, or part or parts thereof, that is dangerous to the safety of any person in the industrial establishment is safely fenced or guarded unless,

(a) its position, construction or attachment assures the same protection as if it were safely fenced or guarded; or

(b) it is provided with a safety device that automatically prevents a person operating it from coming into contact with any dangerous part.

(2) Every set screw, bolt or key on any revolving shaft, spindle, wheel or pinion connected to or forming part of or appurtenant to any machine, transmission machinery or device in an industrial establishment, shall be so recessed, encased, located or otherwise effectively guarded as to prevent injury to any person.

29.—(1) No person in an industrial establishment shall,

(a) clean, oil, adjust, repair or perform maintenance work on any machine, transmission machinery, device, or thing while it or any part of it that is likely to endanger the safety of any person is in motion, except when such work is not practicable while the machine, transmission machinery, device or thing is stopped; or

(b) except with the written permission of an inspector, work between any machinery, objects or things one or more of which are likely to move in a manner dangerous to his safety.

(2) Every employer shall ensure that no person works in contravention of subsection 1.

(3) Every employer shall ensure that no person works and no person shall work where the accidental starting of a machine, transmission machinery, device or thing is likely to endanger the safety of any person unless effective precautions to prevent such accidental starting are taken, including the locking-out of control switches or other control mechanisms and the posting of warning signs satisfactory to an inspector.

30. Every employer shall ensure that no person works without supervision at any machine unless the person,

- (a) has received adequate training and instruction in the operation of the machine and any dangers connected therewith;
- (b) has received adequate supervision by a person having thorough knowledge and experience with the machine; and
- (c) is capable of safely operating the machine without supervision.

31.—(1) Every employer shall ensure that,

- (a) the safe working load or loads of every lifting device is plainly marked thereon;
- (b) no lifting device is loaded beyond its safe working load except for the purpose of a test or when the load is certified as safe by a person satisfactory to an inspector;
- (c) no cable, chain, rope, sling, ring, hook, shackle, swivel or other part of a lifting device is used unless it is of good construction, sound material and adequate strength to safely support the maximum load to which it is likely to be subjected and is properly maintained;
- (d) every lifting device is thoroughly examined at least annually by a competent person;
- (e) all rails on which a lifting device moves are of proper size and properly laid and maintained and have an even running surface;
- (f) no newly-installed lifting device is used until it has been thoroughly tested and examined by a competent person;
- (g) where any person is on or near the wheel track of a travelling crane in any place where the safety of such person is likely to be endangered by the crane, the operator of the crane is warned of the presence of such person and the crane or any part thereof does not approach within ten feet of the place; and
- (h) no overhead crane is moved when any person is in or under the path of the crane or its load until the person is adequately warned of the proposed movement.

(2) The onus of proving compliance with subsection 1 is on the employer.

32. Every employer shall ensure that steps practicable in the opinion of an inspector are taken to prevent injury to the hearing of a person in an industrial establishment by reducing or eliminating noise from any machine or device.

#### PERSONAL PROTECTIVE DEVICES AND CLOTHING

33.—(1) Every employer shall ensure that no person under his control is in any place or works,

(a) where he is likely to be exposed to head injury unless he is wearing a hat manufactured for the purpose of preventing such injury;

(b) where he is likely to be exposed to eye injury,

- (i) from flying particles,
- (ii) from hazardous substances,
- (iii) from sharp objects, or
- (iv) from harmful light or other rays,

unless he is protected by a screen, clear or coloured eye shields, as appropriate, or other suitable devices manufactured for the purpose of protecting persons from such injury;

(c) where he is likely to be exposed to foot injury,

- (i) from falling or crushing objects,
- (ii) from hot, corrosive or poisonous substances,
- (iii) from sharp objects, or
- (iv) because of wet locations,

unless he is wearing footwear or other protective device manufactured for the purpose of protecting persons from such injury;

(d) where he is likely to be exposed to injury from dangerous gases, vapours, mists, fumes, dust or a deficiency of oxygen, unless he is protected by wearing suitable breathing apparatus manufactured for the purpose of protecting persons from such exposure; or

(e) where he is likely to be exposed to any injury not mentioned in clauses *a*, *b*, *c*, or *d* unless he is wearing or using such protective clothing or devices as will effectively protect him from injury; or

(f) near any rotating shaft, spindle, gear, belt or other possible source of entanglement,

- (i) while wearing any rings or loose or dangling clothing or jewellery, or
- (ii) in the case of a female while her hair is not confined closely to her head by suitable headgear.

(2) Every employer, before requiring any person under his control to be in any place or work where protective clothing or devices are required by this section, shall notify such person of the requirements of this section and shall ensure that such person is adequately instructed in the use of such protective clothing or devices.

(3) Where, in the opinion of an inspector, compliance with this section will not prevent injury to a person from a harmful substance, the employer shall provide such safety showers, eye wash fountains or other emergency equipment as the inspector directs.

34. No person shall wear open-toed or high heeled shoes in a factory unless otherwise permitted by an inspector.

35. No person in an industrial establishment shall fail to use or wear any protective clothing or devices required by this Regulation.

#### EXITS

36.—(1) In an industrial establishment the owner shall provide and properly maintain means of egress convenient to and having easy communication with all rooms likely to be occupied by a person including,

- (a) tower stairs of fire-resistive construction equipped with fire-resistive doors and hardware satisfactory to an inspector at each storey including the basement; and
- (b) where permitted by an inspector, metal or other non-combustible fire escapes consisting of exterior stairways with railings and with landings at each storey connecting directly with the interior of the building through metal or other fire-resistive doors.

(2) Any drawings and specifications of a fire escape or tower stair for an industrial establishment submitted to an engineer of the Department for approval under section 2 of this Regulation shall show the size and composition of all structural members and enclosures and shall include,

- (a) floor plans, elevations and sections of the fire escape or tower stairway drawn to a scale of not less than one-quarter of an inch to the foot;
- (b) details drawn to a scale of not less than one inch to the foot; and
- (c) a plan showing the location of the fire escape or tower stair on the building in relation to other means of egress to a yard or public street drawn to a scale of not less than one-sixteenth of an inch to the foot.

(3) The owner or employer in charge of the industrial establishment shall provide and properly maintain such equipment and facilities as directed by an inspector for protection from fire and the prevention and extinguishment thereof.

**37.—**(1) No person in an industrial establishment shall lock, bolt or bar any door and every person having authority over access to or egress from the building shall ensure that no such door is locked, bolted or barred while any person, except a watchman with suitable keys to all doors, is in the building.

(2) Subsection 1 does not apply to a room that is unoccupied and does not form part of a means of egress from an occupied room or floor area.

(3) Notwithstanding that a door is locked to prevent ingress to a building or room, the door shall be deemed to be not locked, bolted or barred if it is provided with a mechanism for unlocking it quickly from the inside that requires no special skill, effort or previous knowledge for its operation.

(4) Every owner or employer shall ensure that,

- (a) no means of egress under his control is obstructed; and
- (b) no door to a fire escape, tower stair or other smoke-proof enclosure under his control is prevented from closing or remaining closed.

(5) Except in the case of a grain elevator, no outside fire escape shall extend above the third floor of a building used as an industrial establishment erected after the first day of July, 1952, and for the purposes of this subsection the ground floor is deemed to be the first floor.

#### EMPLOYEE FACILITIES

#### EMPLOYER'S RESPONSIBILITIES

**38.—**(1) An employer shall,

- (a) keep the premises in a clean and sanitary condition and free from any effluvia arising from refuse of any kind and remove, at least daily, by a suitable method, all accumulations of oil, grease, dirt and refuse from the floors,

work tables, passages and stairways and as far as practicable, keep all windows and skylights clean on both the inner and outer surfaces and free from obstructions, but an employer may shade or tint such windows and skylights for the purpose of mitigating heat or glare;

- (b) keep all passageways and other walking surfaces used by his employees and under his control in a safe condition and free from obstructions or accumulations of ice or snow;
- (c) not use on a walking surface any finish or protective material that is likely to make such surface slippery;
- (d) provide and maintain sufficient and suitable natural or artificial lighting without unnecessary glare or shadows where persons are working or passing in the industrial establishment;
- (e) keep toilet rooms and washrooms that are under his control adequately lighted, in good repair and in a sanitary condition;
- (f) keep toilets, urinals and other sanitary conveniences that are under his control in good repair and in a sanitary condition;
- (g) ensure that the temperature of the industrial establishment is regulated so as to be suitable for the work to be performed therein and so as to be not likely to endanger the safety of any person or cause unnecessary discomfort but in no case shall the temperature be less than 68° Fahrenheit unless permitted by an inspector in writing;
- (h) ensure that crowding that is likely to endanger the safety of persons therein does not occur;
- (i) provide and maintain for the use of employees a convenient and sufficient supply of clean towels, soap or other suitable cleansing agent, toilet paper and in each toilet room used by females a suitable covered receptacle;
- (j) ensure that adequate means are provided for the proper draining of floors that are liable to be wet to such an extent that the safety of any person therein is likely to be endangered;
- (k) provide a supply of safe drinking water in a place where the tap or outlet is distant from any water closet or urinal and, when the supply is not taken directly from a water pipe, the supply shall be contained in a covered vessel having a drain faucet and shall be renewed at least daily;
- (l) where the drinking water is not delivered in an upward jet from which the employees can conveniently drink, provide a sufficient supply of individual drinking cups located near the tap or outlet;
- (m) except where otherwise permitted by an inspector, provide not less than one tap or outlet for drinking water on every floor where work is regularly performed and within 300 feet of every employee's normal work station;
- (n) provide suitable accommodation for clothing not worn by employees during working hours and for work clothes that must be dried or cleaned or kept separate from street clothes because of the presence of poisonous, irritating or infectious materials;
- (o) where in the opinion of an inspector the safety of any person is likely to be endangered by the presence of poisonous, irritating or in-

fectious materials or gases or by extremes of temperature or humidity, provide such shower baths and additional wash basins supplied with sufficient hot and cold water, as the inspector deems necessary;

- (p) if thirty-five or more persons are employed or working in the industrial establishment or if an inspector so directs in writing, provide at his own expense a room, area or place for eating purposes together with equipment satisfactory to an inspector;
- (q) ensure that no person takes food into or eats in a room, area or place where paint, varnish, dye, lead, arsenic or any other poisonous substance is exposed or where deleterious vapours, mists, fumes, dust or gases are known to be present or any other room, area or place designated by an inspector and shall ensure that drinking water in any such room, area or place is taken directly from a water pipe or fully enclosed container;
- (r) if thirty-five or more females are employed or working in the industrial establishment or if an inspector so directs in writing, provide a female supervisor, matron, nurse or other competent female employee to have charge of the welfare of female employees, and such person may have other duties that do not prevent her from adequately attending to such welfare; and
- (s) if ten or more females are employed or working in the industrial establishment, provide a rest room or other space affording reasonable privacy together with one or more couches or cots and chairs and satisfactory to an inspector.

(2) No person shall take food into or eat in a room, area or place referred to in clause q of subsection 1.

**39.—(1)** Every employer who employs any person having in the course of his employment reasonable opportunities for sitting in safety or without detriment to his work or who employs any person whose work or a substantial portion thereof can be effectively performed while sitting shall provide and maintain a suitable chair or seat for that person at his place of work.

(2) The employer shall not by any contrivance or rule, open or covert threat or intimidation express or implied, prevent any person employed by him from using the chair or seat provided in accordance with subsection 1.

#### OWNER'S RESPONSIBILITIES

**40.** The owner of a building used as an industrial establishment shall,

- (a) at all times keep it or such parts thereof that are under his control properly lighted, heated and ventilated and in a clean and sanitary condition, and so as not to endanger the safety of persons in the building or having access to it;
- (b) ensure that the cause of any effluvia arising from any defective drain or plumbing is removed and the defect corrected;

(c) ensure that any repairs required to keep the building in a safe and habitable condition are made;

(d) ensure that all walking surfaces are constructed of materials that are not slippery when dry or wet;

(e) arrange for a supply of pure drinking water available for each occupier;

(f) provide washrooms and toilet rooms that are conveniently accessible and that,

- (i) have legible signs indicating for which sex the room is provided and that are constructed so as to prevent a view of their facilities from outside the room and so as to prevent, as far as practicable, accidental entry into the room by a person of the opposite sex, and

- (ii) are, where separated, adjacent and connected with a door or doorway,

- (iii) have a ceiling height of not less than eight feet with the enclosing walls extended to the ceiling and constructed of material impervious to liquid to a height of not less than four feet,

- (iv) that have mechanical exhaust to the outdoors at a volume of not less than two cubic feet per minute for each square foot of the floor area of the room, or that have windows or skylights so constructed that, for each toilet and for each urinal in the room, not less than two square feet of the window or skylight can be opened,

- (v) have an opaque window or skylight where necessary to ensure privacy,

- (vi) have smooth floors of terrazzo, vitrified tile, mastic tile, asphalt or other equally non-absorbent, easily cleaned material; and

- (g) where the toilet rooms and washrooms are used in common by more than one tenant, provide and maintain for the use of employees a convenient and sufficient supply of clean towels, soap or other cleansing agent, toilet paper and, in each toilet room used by females, a suitable covered receptacle.

**41.—(1)** Subject to subsection 2, separate washrooms and toilet rooms for male and female persons shall be provided by the owner of an industrial establishment.

(2) Where less than six persons are employed, the owner may provide a room containing a wash basin and a flush toilet and having a door that has a locking device on the inside.

**42.** When directed by an inspector, the owner shall provide for employees washrooms and toilet rooms that are separate from those provided for other persons having access to the industrial establishment.

**43.—(1)** Where six or more persons are employed in an industrial establishment, the owner shall provide for the number of employees of each sex in a group itemized in column 1 of the Table not less than the number of separate flush toilets and separate wash-basins for each sex set opposite thereto in column 2.

TABLE

Item	COLUMN 1		COLUMN 2	
	No. of male Employees	No. of female Employees	No. of	
			Toilets	Wash-basins
1	1 to 9	1 to 9	1	1
2	10 to 24	10 to 24	2	2
3	25 to 49	25 to 49	3	3
4	50 to 74	50 to 74	4	4
5	75 to 100	75 to 100	5	5
6	Over 100	Over 100	Add one toilet and one washbasin for each additional thirty employees or fraction thereof.	

- (2) Notwithstanding subsection 1,
- (a) in toilet rooms for more than nine male employees, urinals shall be substituted for not less than one-quarter and not more than one-half of the number of flush toilets required by subsection 1; or
  - (b) in toilet rooms for more than nine female employees, urinals may be substituted for not more than one-half of the number of flush toilets required by subsection 1.
- (3) Subject to subsection 2, urinals or washfountains in straight trough form and washfountains in circular form may be provided in lieu of toilets or washbasins, as the case may be, and,
- (a) where a circular washfountain is provided, each twenty inches of its circumference is deemed to be the equivalent of one wash basin; and
  - (b) where a urinal or washbasin in straight trough form is provided, each twenty-four inches of its length is deemed to be the equivalent of one toilet or one washbasin, as the case may be,
- (4) Where washfountains or washbasins are provided, they shall be supplied with hot and cold water from taps or outlets that are satisfactory to an inspector.
- (5) Where the municipality in which the industrial establishment is located is not serviced by a water or sewage system and flush toilets cannot be provided, privies or other toilets satisfactory to an inspector shall be provided.
- (6) Every toilet for employees and every urinal for female employees shall occupy an individual compartment with a suitable door and lock and the compartment shall have a length of not less than four feet six inches and a width of not less than two feet eight inches.
- (7) The height of any compartment door, wall or partition between toilets for employees and between urinals for female employees may be less than the height of the room but the top of the door or partition shall be not less than five feet six inches from the floor and the bottom not more than one foot from the floor.
- (8) Every compartment shall be supplied with a clothes hook.

- (9) Water for washing purposes shall not,
- (a) exceed 140° Fahrenheit at any outlet; and
  - (b) be directly mixed with steam.

44.—(1) The employer in charge of a factory or shop shall provide such dressing rooms and shower rooms as an inspector may direct.

(2) Where working clothes require drying the employer shall provide facilities for drying satisfactory to an inspector.

45.—(1) Where individual showers are installed and no dressing room satisfactory to an inspector is provided adjacent thereto, the employer shall provide on at least one side of each shower stall a cubicle for dressing that is not less than three feet by three feet in size and that is separated from the stall and washroom by suitable draw curtains.

(2) Where the nature of the operations in the industrial establishment requires that an employee take a shower at the end of every shift to ensure his safety, the shower room shall be located between the room provided for clothes not worn by an employee during working hours and the room provided for work clothes.

46. An inspector may, with respect to an industrial establishment in operation before this Regulation comes into force, permit the continued use of such sanitary facilities satisfactory to him that are in use therein notwithstanding that such facilities do not comply with this Regulation.

EMPLOYMENT OF CHILDREN IN OFFICES AND SHOPS

47. A child of fourteen years of age may be employed in a shop, office or office building if,

- (a) such employment is not likely to endanger his safety; and
- (b) in the case of employment during school hours, the child furnishes the employer with a certificate issued in accordance with *The Schools Administration Act* permitting the absence of such child from school.

REPORTING

48.—(1) Where a fire, accident, or industrial disease in or about an industrial establishment occasions any injury to the body or health of a person employed therein whereby he is prevented or likely to be prevented for more than two calendar days from earning full wages, a notice in writing containing particulars of,

- (a) name, address and type of business of the employer;
- (b) the nature and the circumstances of the occurrence and the bodily injury sustained;
- (c) the machinery or equipment involved;
- (d) the time and place of the occurrence;
- (e) the name and address of the injured employee;
- (f) the name and address of any witness to the occurrence; and
- (g) the name and address of the physician or surgeon, if any, by whom the workman was or is being attended for the injury,

shall be sent to the chief inspector at 8 York Street, Toronto 1, by the employer during or forthwith upon the termination of such two-day period.

(2) A true copy of the notice mentioned in section 115 of *The Workmen's Compensation Act* may be sent to the chief inspector in lieu of the notice mentioned in subsection 1.

49.—(1) Where in or about an industrial establishment a person is killed or critically injured from any cause,

(a) the employer shall forthwith notify an inspector of the occurrence by telephone, telegram or other direct means and shall, within forty-eight hours after the occurrence, send the chief inspector a written report of the circumstances of the occurrence, including the particulars required by subsection 1 of section 48; and

(b) no person shall, except for the purpose of saving life or relieving human suffering, interfere with, disturb, destroy, carry away or alter any wreckage, article or thing at the

scene of or connected with the occurrence until permission so to do is given by an inspector.

50.—(1) Subject to subsection 2, where an explosion occurs in an industrial establishment, a notice in writing containing particulars of such explosion shall be sent by the employer to the chief inspector at 8 York Street, Toronto 1, within twenty-four hours after the explosion occurred.

(2) A controlled explosion or an explosion of any container being filled in a suitable protective enclosure is deemed not to be an explosion for the purposes of subsection 1, unless such explosion endangers the safety of any person in the industrial establishment or damages any structure therein.

51. Regulation 134 of Revised Regulations of Ontario, 1960 and Ontario Regulations 6/62 and 72/62 are revoked.

## THE INDUSTRIAL SAFETY ACT, 1964

## O. Reg. 197/64.

Foundries.

Made—July 23rd, 1964.

Filed—July 31st, 1964.

REGULATION MADE UNDER  
THE INDUSTRIAL SAFETY ACT, 1964

## FOUNDRIES

## INTERPRETATION

## 1. In this Regulation,

- (a) "cleaning a casting" means the act of removing any adhering scale, moulding or core material from the surface of the casting;
- (b) "die casting" means a casting process in which the molten metal is forced into the mould cavity of a metal die;

(c) "foundry" means the part of a building, or premises, or the workshop, structure, room or place in which base metals or their alloys are cast in moulds or where core-making, shake-out or cleaning of any casting or other dust-causing operation ancillary to the casting process is carried on;

(d) "gangway" means a defined passageway between a metal melting unit and a metal pouring area;

(e) "general ventilation" means the replacement of a part of the contaminated air by uncontaminated air in the working space of the foundry by fans, or by fans and other means, and includes both the exhausting and supplying of air from and to the working space;

(f) "inoculation process" means the adding of any material to molten metal to control the crystalline structure of the molten metal;

(g) "local exhaust" means exhaust ventilation so designed that the air contaminant is picked up by the ventilation system at or near its

point of origin and removed in such a manner that it does not enter the breathing zone of a worker or the working space;

- (h) "pouring aisle" means a passageway leading from a gangway and where metal is poured into a mould or box;
- (i) "shaking-out" means the removal of the casting from its mould and the core material from the casting;
- (j) "working space" means any space where workers are actively engaged in the performance of their duties within a foundry, but does not include offices, lunch-rooms, locker-rooms, change-rooms, rest-rooms, washrooms, shower rooms, toilet rooms, pattern shop, maintenance shops, laboratories, shipping areas, the storage space occupied by equipment or materials not regularly in use, or the enclosed space where core sands and moulding sands are stored.

2.—(1) Every employer is responsible to ensure compliance with this Regulation, unless otherwise provided.

(2) Every person employed in a foundry shall use anything provided under this Regulation for the purpose for which it is provided and shall follow any procedure required by this Regulation.

3. This Regulation does not apply to,

- (a) die casting;
- (b) any premises or part thereof where steel ingots only are cast;
- (c) the printing industry; or
- (d) metal refineries.

4.—(1) No foundry,

- (a) in which any part of the lowest floor level of any working space is below the adjacent ground level shall be established or put into operation for the first time; or
- (b) where established or put into operation for the first time before this Regulation comes into force and in which any part of the lowest floor level of any working space is below the adjacent ground level, shall continue to operate,

after this Regulation comes into force unless otherwise authorized in writing by the chief inspector.

(2) No foundry or any addition to any foundry shall be established or put into operation for the first time or constructed unless the ceiling height above the floor of every working space is at least sixteen feet.

#### PARTING MATERIALS

5. No parting material shall contain more than 2 per cent free silica, unless approved in writing by the chief inspector.

#### MELTING UNITS

6.—(1) A clear space adequate for safe operating and maintenance purposes, shall be provided between the outer shell of any cupola or other melting unit and any wall, structure, equipment, or any operation.

(2) The width of any passageway or aisle adjacent to a melting unit shall not be less than four feet where the melting unit is installed after this Regulation comes into force.

(3) The firing portion and fuel supply controls of each melting unit shall be accessible from an aisle or be in a location remote from a melting unit.

(4) The dimensions of the working space at any melting unit installed after this Regulation comes into force shall not be less than six feet measured horizontally from the furnace shell or pouring spout, or such additional clearance as is required for safe working.

#### CARE OF PREMISES, EQUIPMENT AND MATERIALS

7. In every foundry all equipment and materials shall be kept in such a place and in such a manner so as not to interfere with free movement of persons or materials, and so as not to constitute a safety, health, fire or explosion hazard therein.

8.—(1) Any waste material shall be removed from the working space of a foundry at least daily.

(2) Any sand, of no further use, shall be removed from the foundry at a time and in a manner so as not to create a hazard to the employees.

9. Every pouring aisle, cleaning room floor or other area where dust is likely to accumulate and the surface of any sand pile shall be kept sufficiently damp with water at all times to prevent the dissemination of dust into the general air of the foundry but not dampened to such an extent that molten metal in contact with such dampened sand or water is a hazard to persons in the vicinity.

10. Every gangway and pouring aisle shall be kept clear of obstruction at all times.

11. Any accumulation of dust shall be removed from equipment, material and the interior of the foundry in a manner so as not to create a hazard to persons employed therein.

#### SANITATION

12.—(1) In every foundry the employer shall provide a shower room having not less than one shower bath connected to sources of hot and cold water for every ten foundry employees leaving at the end of any shift.

(2) One or more locker rooms shall be provided in every foundry adjacent to a shower room and wash-room and any such locker room shall be equipped with a locker or other suitable facilities for the working and street clothes of each employee in the foundry.

(3) Adequate drying facilities shall be provided in every foundry for the work clothing of all employees engaged in duties where perspiration or the type of work may cause the employees' clothing to become damp or wet.

(4) Where a locker room, change room, washroom or shower room is established after this Regulation comes into force in a building separated from the foundry, the building shall be connected to the foundry by an enclosed, heated passageway.

(5) The walls and ceilings of any locker room, change room, washroom or shower room shall be finished in a light colour and the floor shall have a smooth surface impervious to any liquid and the room shall be maintained by the employer in a clean and sanitary condition.

#### GENERAL FLOOR CONDITIONS

13. The floor and any water system immediately surrounding any melting unit shall be so constructed as to prevent any accumulation of moisture under or near the melting unit.

14. All moulding floors, gangways, passageways and aisles shall have a firm surface without holes or depressions and without slopes having a gradient of more than one in sixteen.

15. Permanent gangways shall be clearly marked.
16. Where tracks are laid at or about floor level within the foundry building, the floor adjoining and between them shall be firm and level with the top of the rails.
- 17.—(1) Where molten metal is handled on a gallery or other area having any working space below it, the gallery or area shall have a solid floor that will prevent molten metal from leaking or burning through it and the gallery shall have a solid barrier of not less than three feet, six inches in height on all exposed sides to prevent metal spillage from the gallery.
- (2) A cupola charging floor shall be solid to prevent any material or object passing through it.
18. Any gangways not used for carrying molten metal shall be three feet or more in width.
- 19.—(1) Subject to subsections 2 and 3, the minimum width of a gangway for one-way traffic only over which molten metal is conveyed shall be as follows:

TABLE

Type of Metal Container	Number of workers conveying metal	Minimum width
Hand shank ladles and crucibles	2 or less	3 feet
Hand shank ladles and crucibles	More than 2	4 feet
Ladle or crucible on truck, buggy, or overhead track		2 feet wider than greatest width of ladle, crucible, truck, buggy or container support

- (2) Where a gangway is used for traffic in both directions but molten metal is conveyed in one direction only, the width required by subsection 1 shall be increased by three or more feet.
- (3) Where a gangway is used for carrying molten metal in both directions, the width required by subsection 1 shall be doubled.
- (4) Where any ladle is carried by an overhead crane, adequate warning shall be given before the ladle is moved and all employees shall forthwith vacate the area over which the ladle is to be transported.
20. The minimum width of any pouring aisle where a hand ladle or crucible is used to pour metal shall be as follows:

TABLE

Height of mould above aisle level	Number of workers allocated to the pouring operation	Minimum width of a pouring aisle
Less than 20 ins.	Not more than 2	15 ins.
20 ins. or greater	Not more than 2	2 feet
Any height	More than 2	3 feet

21. Where any molten metal is poured from a crane, trolley or truck ladle, the minimum width of any pouring aisle shall not be less than one foot greater than the greatest width of the ladle equipment, except where a bottom-pour ladle is used in which case the aisle width shall be three feet or more.
22. Any pit exceeding twenty-four inches in depth shall have its internal walls reinforced with brick, concrete, steel plate or other non-combustible material capable of resisting cave-in.
- 23.—(1) When in use every pit shall be securely protected with railings or chains secured to stanchions or with a solid wall, and the top of the railing, chain or wall shall not be less than three feet six inches above the surrounding floor.
- (2) When not in use every pit shall be kept securely covered with substantial material or protected in the manner set out in subsection 1.

LADLES

24. Every ladle shall be dried,
- (a) before use; and
- (b) in a location having ventilation so as to prevent the entry of any smoke or gas into the working space.
25. Every single-shank foundry ladle shall be fitted with a metal shield to protect the person carrying the ladle.
26. Every tilting ladle of a capacity of 500 or more pounds shall be gear-operated or the equivalent.
- 27.—(1) Every gear-operated foundry ladle and every mechanically or electrically operated ladle shall be so designed and constructed as to prevent its overturning and shall be fitted with a safety lock approved by an inspector.
- (2) Every gearing or tilting mechanism on a ladle shall be enclosed with machinery guards of solid material.

PERSONAL PROTECTIVE EQUIPMENT

- 28.—(1) Every employer for a foundry shall,
- (a) furnish any employee, whose eyes are exposed to injury from dust, flying chips or molten metal, with a protective device or equipment manufactured for the purpose of protecting persons from such injury;
- (b) furnish any employee engaged in the handling of molten metal with leggings manufactured for the purpose of protecting persons from injury due to molten metal, or more adequate protective clothing if required in writing by an inspector;
- (c) furnish any employee who is subject to direct or reflected arcs or radiation from electric arc furnaces, welding operations or similar sources of harmful radiation with stationary or moveable guards, goggles or eye shields manufactured for the purpose of protecting persons from such arcs and radiation;
- (d) where persons are engaged in occasional or infrequent operations that produce noxious dusts, gases, vapours or fumes, and where an inspector is satisfied that the operations do not lend themselves to the installation of permanent mechanical ventilation equipment, furnish proper respiratory equipment manufactured for the purpose of protecting persons from such dusts, gases, vapours or fumes;

- (e) ensure that no person shall normally work between a source of dust or fumes and the inlet of the local exhaust system that removes the dust or fumes from that source unless the person is wearing a suitable air-supplied breathing apparatus.
- (2) Every employee in a foundry who handles molten metal shall wear gaiter-type boots that are designed to prevent injury from molten metal.
- (3) Every employee in a foundry who is engaged in the handling of heavy objects shall wear boots or shoes with protective toe boxes or steel toes.
- (4) Every employer in a foundry shall,
  - (a) ensure that no person employed by him works and no person so employed shall work in connection with any operation requiring the protective equipment or clothing prescribed in clauses *a*, *b*, *c* and *d* of subsection 1 and in subsections 2 and 3 unless such person is using or wearing such protective equipment and clothing; and
  - (b) before requiring or permitting any person in his employ to perform such work, notify such person of the requirements of this section.

## GENERAL SAFETY

29.—(1) Every employer for a foundry shall ensure that,

- (a) the legs and supports of every cupola are protected from damage by molten metal;
- (b) any coke, slag and unmelted metal from the dropping of the cupola bottoms is removed by a mechanical rake or other mechanical means as soon as is practicable after the cupola is emptied;
- (c) before the bottom of a cupola is dropped, a visual and audible signal is given for at least three minutes, after which the prop or props are removed by a winch or similar device operated from outside a wall or shield at the cupola or from another safe location;
- (d) no material containing ice or moisture, or to which ice or moisture is adhering is charged into any furnace containing molten metal except a cupola;
- (e) no completely enclosed vessel is knowingly charged into any furnace without first being broken open;
- (f) care sufficient to ensure the safety of persons is taken of chains, slings, wire-ropes and other hoisting equipment having regard to the temperatures to which such hoisting equipment is exposed and the uses to which it may be put;
- (g) the bottom of every cupola is supported by one or more adequate metal props with metal bases and wedges supported on concrete or other solid footing;
- (h) shields or solid screens are provided to protect employees at the slag-holes, spouts and tap-holes of every cupola or furnace;
- (i) every cupola with a closed top has doors on the top of the cupola hinged to act as explosion vents to the outdoors;
- (j) every wheel moving on tracks at floor level is shielded so as to prevent injury to the feet of employees;

- (k) every skylight is fitted with wired or shatter-proof glass or non-shatterable translucent material or with protective wire netting attached to its underside;
- (l) where metal castings or scrap are broken by means of a dropping device or similar device, a permanent shield of wood planking two inches thick or equivalent protection, adequately supported, is provided to protect persons from flying metal fragments;
- (m) every tumbling mill is equipped with a positive locking device to prevent any movement of the mill when being loaded or unloaded, and every moving part of the mill is either fully enclosed or guarded to a height of six feet or more above the adjacent walking surface;
- (n) when work is performed in a cupola or similar place an overhead protective wooden or metal cover or screen satisfactory to an inspector and that is supported by props or overhead slings is used for the purpose of protecting persons from falling objects;
- (o) every cupola is provided with a blast gate or automatic damper in the air supply pipe to the cupola, or with other positive means of preventing the accumulation of combustible gases in the air supply system when the air supply fails;
- (p) a continuous open flame or other positive means of ignition is maintained above the charging level of the cupola while the cupola is in operation and until all combustible material in the cupola is consumed; and
- (q) all buildings, equipment and machinery are maintained in safe working condition and are inspected by the employer or any person designated by him, regularly and with such frequency as will ensure safe working conditions for persons in the foundry.

(2) Every employee in a foundry is responsible equally with the employer for compliance with clauses *a* to *f* of subsection 1.

## VENTILATION

30.—(1) Every foundry shall be ventilated by a local exhaust system or by a general ventilation system or both, so designed, fabricated, installed and maintained as to remove, as far as is practicable, every gas, vapour, dust, fume, mist or other impurity produced by the operations in the foundry that may be injurious to the health or safety of persons in the foundry.

(2) Every ventilation system shall discharge the air outside the building so that it does not re-enter the building.

31.—(1) Every employer for a foundry shall ensure that adequate provision is made for the entry of air into the foundry to replace the air discharged from the building and that this air,

- (a) is heated when necessary to maintain in each working space at least the minimum temperature required by the Act and this Regulation;
- (b) is taken from a region not contaminated with silica or other noxious dust, fumes, gas, smoke or mist;
- (c) enters the foundry in such a manner as not to create a dusty condition in the atmosphere of the foundry; and
- (d) subject to subsection 2, enters the working space through air inlets of sufficient number

and area, and so arranged, located, and equipped, as to give a reasonably uniform air flow across the working space without subjecting workers to air velocities exceeding 200 feet per minute.

(2) Where the velocity of the incoming air is adequately controlled so as to not adversely affect the health or comfort of an employee, in the opinion of an inspector, it may exceed 200 feet per minute.

#### LOCAL EXHAUST VENTILATION

32. Subject to sections 33 to 44, where any machine or process is operated so as to form a localized source of dust, fume, gas, smoke or mist, the machine or process shall be provided with local exhaust, where practicable, so that the noxious material does not enter the general atmosphere of the building.

33.—(1) The rate of local exhaust of every power shake-out shall conform with the following provisions:

1. Where a power shake-out is completely enclosed except for inlet and outlet openings, at least 200 cubic feet of air per minute per square foot of grate or shake-out area shall be exhausted and the minimum air velocity into the enclosure shall be 200 feet per minute.
2. Where a power shake-out has a side draft hood, at least 500 cubic feet of air per minute per square foot of grate or shake-out area shall be exhausted.
3. Where a power shake-out has a double side hood at least 400 cubic feet of air per minute per square foot of grate or shake-out area shall be exhausted.
4. Where a power shake-out has a hood enclosing at least two adjoining sides and at least one-third of the top area, at least 300 cubic feet of air per minute per square foot of grate or shake-out area shall be exhausted.
5. Where none of the methods of exhausting the power shake-out in paragraphs 1 to 4 is feasible, a down draft exhaust of at least 600 cubic feet of air per minute per square foot of grate or shake-out area shall be provided, and the length and width of the grate or shake-out shall be greater than the length and width of the largest flask used.
6. The minimum height for a side exhaust hood above the surface of the grate or shake-out shall be equivalent to the grate or shake-out length or 50 per cent higher than the height of any casting, whichever is greater, and the minimum length of the exhaust hood shall be 50 per cent greater than the grate or shake-out length.
7. The minimum quantities of air prescribed by this section shall be increased upon the direction of an inspector if castings are abnormally hot when shaken out, the sand to metal ratio is low, or external cross drafts at the power shake-out are present.

(2) Every flat deck or cylindrical screen shall be enclosed, so far as is practicable, and shall be locally exhausted,

(a) in the case of a flat deck screen, with a minimum inward air velocity of 200 feet per minute through all openings in the screen enclosure and in any case, with a minimum of 50 cubic feet of air per minute per square foot of gross screen area;

(b) in the case of a cylindrical screen, with a minimum inward air velocity of 400 feet per minute through all openings in the screen enclosure and in any case, with a minimum of 100 cubic feet of air per minute per square foot of the cylinder's end.

(3) Every bucket elevator shall be enclosed and exhausted so as to provide,

(a) an inward air velocity of at least 150 feet per minute at every opening of its enclosure where the maximum bucket speed does not exceed 200 feet per minute; and

(b) an inward air velocity of at least 200 feet per minute at every opening of its enclosure where the bucket speed exceeds 200 feet per minute.

(4) Subject to subsection 8, every conveyor belt shall be provided with exhaust hoods which shall enclose every loading point, discharge point and every other point at which dust may be produced.

(5) Subject to subsection 8, every exhaust hood referred to in subsection 4 shall be ventilated as follows:

1. Where the maximum speed of the belt does not exceed 200 feet per minute, the rate of ventilation shall not be less than 350 cubic feet per minute for each foot of the width of the belt and there shall be an inward air velocity through the net open area of each exhaust hood of not less than 150 feet per minute.

2. Where the speed of the belt exceeds 200 feet per minute, the rate of ventilation shall not be less than 500 cubic feet per minute for each foot, or fraction thereof, of the width of the belt and there shall be an inward air velocity through the net open area of each exhaust hood of not less than 200 feet per minute.

(6) Subject to subsection 8, every sand muller shall be enclosed, so far as is practicable, and shall be exhausted at a velocity of not less than 150 feet per minute through every opening in the enclosure, including the loading and inspection openings, and there shall be not less than 150 cubic feet of air per minute for each foot of the horizontal diameter of the muller.

(7) Subject to subsection 8, every sand storage bin shall be enclosed and exhausted to cause an inward air velocity of at least 200 feet per minute through the net open area of every opening to the bin when sand is being supplied to the bin.

(8) Subsections 4 to 7 do not apply to any conveyor belt, sand muller or sand storage bin transporting or containing sand that contains moisture in sufficient quantity to prevent the dissemination of dust, but in no case shall the moisture content be less than 2 per cent of the total weight of sand and moisture.

(9) Every tumbling mill having an inside length not exceeding seventy inches shall be ventilated so as to exhaust at least the volume of air shown for that type and size of mill in the following Table:

TABLE

Round Mill inside diameter (inches)	Square Mill inside width of side (inches)	Minimum volumes of exhaust air	
		Hollow- trunion (cfm)	Stave type (cfm)
Up to 24	.....	430	800
Over 24 to 30	Up to 24	680	900
Over 30 to 36	Over 24 to 30	980	980
Over 36 to 42	Over 30 to 36	1330	1330
Over 42 to 48	Over 36 to 42	1750	1750
Over 48 to 54	Over 42 to 48	2200	2200
Over 54 to 60	Over 48 to 54	2730	2730
Over 60 to 66	Over 54 to 60	3300	3300
Over 66 to 72	Over 60 to 66	3920	3920
.....	Over 66 to 72	4600	4600

(10) Every tumbling mill having an inside length exceeding 70 inches shall be ventilated at a rate equivalent to the quotient of the inside length of the mill in inches divided by seventy, multiplied by the minimum volume of exhaust air specified in the Table in subsection 9 for a mill of the same type and the same inside diameter or inside width of side.

(11) Every tumbling mill having an inside diameter or width of side exceeding seventy-two inches shall be ventilated at a rate of exhaust satisfactory to an inspector.

(12) Every stave-type tumbling mill shall be enclosed with solid material when operating and shall, in addition to the minimum volume specified in subsections 9, 10, 11 have an inward air velocity of 400 feet per minute through every opening in the enclosure.

34.—(1) Any dry, abrasive blasting shall be done,

- (a) in a room enclosed with suitable solid materials and ventilated to provide a downdraft air supply and exhaust at a velocity of not less than eighty feet per minute over the gross floor area, or to provide a horizontal air supply and exhaust at an air velocity of not less than 100 feet per minute normal to the side of the room from which the air is being exhausted, and with the air velocity through all openings from the foundry into the room of not less than 300 feet per minute;
- (b) in a hand cabinet constructed of suitable solid material and that is exhausted to provide an inward air velocity of not less than 500 feet per minute through all openings; or
- (c) on a rotary blasting table that is enclosed with solid material with curtains on every opening and ventilated at a rate to provide an inward air velocity that is not less than 200 feet per minute into every opening in the enclosure on which the curtains are installed.

(2) Any abrasive equipment not using compressed air shall be enclosed with solid material and exhausted to provide an inward air velocity of not less than 125 feet per minute through all openings including the loading door opening.

35. Wherever annealing boxes are filled or dumped, local exhaust ventilation shall provide an air velocity of 200 feet per minute at the source of dust or fumes and directed away from the breathing zone of any worker.

36. Ventilation shall be provided at every core and annealing oven at such a rate as will prevent smoke and gas from entering into the working space.

37.—(1) Every shell moulding and shell core machine shall be provided with as complete an enclosure or canopy as is practicable, and exhausted so that a minimum inward air velocity of,

- (a) 100 feet per minute is provided through the enclosure openings; or
- (b) 150 feet per minute is provided into the canopy opening.

(2) Where a canopy but no enclosure is used for a machine, the canopy shall extend five inches laterally on each side beyond the horizontal perimeter of the machine for each foot that the bottom of the canopy is located above the chief source of dust or fumes in the machine.

38.—(1) Every power driven hand tool such as a brush, portable grinder or chipping tool, used for the cleaning of castings shall be used in a booth or on a downdraft table or grille or shall have an adequate local exhaust system attached to the tool.

(2) Where a booth is used, an inward air velocity of 150 feet per minute shall be provided at every opening of the booth.

(3) Where a downdraft table or grille is used,

- (a) the horizontal dimensions of the table or grille shall exceed the horizontal dimensions of the casting or that part of the casting being cleaned; and
- (b) a volume of air of not less than 300 cubic feet per minute per square foot of the gross area of the table or grille shall be exhausted downwardly through its surface.

39. A local exhaust system shall be provided, where practicable, for any inoculation process or any process where magnesium is mixed with any other metal.

40.—(1) Subject to subsections 3 and 4, no stationary grinding wheel, abrasive cutting-off wheel or buffing and polishing wheel shall be used unless it is enclosed as completely as is practicable and locally exhausted.

(2) The enclosure for a stationary grinding wheel or abrasive cutting-off wheel shall be of sufficient strength and so located as to prevent bodily injury to any person in the immediate vicinity of the wheel.

(3) Subject to subsections 4 and 5, no stationary grinding wheel, abrasive cutting-off wheel or buffing and polishing wheel shall be used unless it is at least three-quarters enclosed and the clearance between each side of the wheel and its enclosure is not more than 1½ inches in the case of a grinding wheel, abrasive cutting-off wheel or a hand buffing and polishing wheel and three inches in the case of a soft buffing and polishing wheel and it is locally exhausted with not less than the volume of air shown in the following Table:

TABLE

COLUMN 1	COLUMN 2	COLUMN 3
Wheel Diameter (inches)	Wheel Width (inches)	Exhaust Air Volume in cubic feet per minute
to 9	not more than 2	300
Over 9 to 16	not more than 3	500
Over 16 to 19	not more than 4	610
Over 19 to 24	not more than 5	740
Over 24 to 30	not more than 6	1040
Over 30 to 36	not more than 6	1400

- (4) Any wheel that is,
- (a) of a type mentioned in subsection 3;
  - (b) at least three-quarters enclosed; and
  - (c) wider than the maximum width shown in column 2 of the Table in subsection 3 for any diameter of wheel shown in column 1,

shall have a volume of air locally exhausted at least equal to that shown in column 3 of the Table multiplied by the ratio of the wheel's width divided by the maximum width shown in column 2 for that diameter of wheel in column 1.

- (5) Any wheel that is,
- (a) of a type mentioned in subsection 3;
  - (b) not at least three-quarters enclosed;
  - (c) has any clearance between the side of the wheel and its nearest enclosure greater than the clearance specified in subsection 3; or
  - (d) a diameter greater than any diameter shown in column 1 of the Table in section 3,

shall have a volume of air exhausted that will produce an air velocity at the exposed face of the wheel at least equivalent to the velocity produced at the exposed face of a wheel of similar diameter multiplied by the exhaust volume of air shown in column 3 of the Table and, in the case of a wheel mentioned in clause d multiplied by 1400 cubic feet of air per minute.

41.—(1) Every grinding or polishing belt shall be enclosed except at the working area and shall be locally exhausted in accordance with subsections 2 and 3 so that the air movement is in the direction of belt travel at the working area.

(2) Where the clearance between any side of the belt and the enclosure is less than one inch, the volume of air to be locally exhausted shall not be less than that shown in the following Table:

TABLE

Belt Width (inches)	Exhaust Air Volume (cubic feet per minute)
up to 3	220
over 3 to 5	300
over 5 to 7	390
over 7 to 9	500
over 9 to 11	610
over 11 to 13	740

(3) Where the clearance between any side of the belt and the enclosure is one inch or more, the volume of air to be locally exhausted shall be such that the velocity of the air at the working face of the belt is not less than the velocity of the air that results from the exhaust air volume shown in column 2 of the Table in subsection 2 for the width and enclosure of the belt as set forth in subsection 2.

42.—(1) Every swing grinder shall be provided with mechanical ventilation by means of an exhaust hood or an exhaust booth approved by an inspector.

(2) Every exhaust booth that contains a swing grinder shall be,

- (a) enclosed at the back, top and sides and with as small an opening at its front as the nature of the grinding operation will permit; and
- (b) so located that the swing grinding wheel operates inside the booth.

(3) The velocity of the air through the front opening of the booth shall be not less than 150 feet per minute.

43. Every operation of pouring,

- (a) brass or other metal having noxious fumes; or
- (b) any metal into shell moulds,

shall be provided with an adequate system of local exhaust ventilation when directed by an inspector.

44.—(1) Every melting unit shall be provided with ventilation to remove from the working space all dusts, fumes, gases, smokes and vapours produced by the melting of the metal and the combustion of the fuel.

(2) Where brass or other metals having noxious fumes are melted, an enclosure, canopy hood, baffles or other means for the collection of the fumes, dusts, gases, smokes or vapours produced in the melting process, shall be provided as directed by an inspector.

(3) Where lead, cadmium or alloys containing beryllium or other metals of similar or greater toxicity are melted, the furnace shall be as completely enclosed as is practicable and the tapping spout shall be locally exhausted.

GENERAL VENTILATION

45.—(1) The use of general ventilation to ventilate a foundry may be supplementary to but shall not be in substitution for the use of local exhaust ventilation required by this Regulation.

(2) Subject to subsection 6, every foundry,

- (a) in which iron, steel or aluminum is cast into sand moulds or moulds using sand cores shall be provided with general ventilation equipment that will ventilate the foundry with a volume of at least 2500 cubic feet of air per minute for each ton of the maximum number of tons of metal poured in an eight hour period and 500 cubic feet per minute of air for each person employed in that eight hour period in the working space of the foundry; or
- (b) in which brass, bronze or magnesium is cast into sand moulds or moulds using sand cores shall be provided with general ventilation equipment that will ventilate the foundry at a rate of at least 5,000 cubic feet of air per minute for each ton of the maximum number of tons of metal poured in an eight hour period and 1,000 cubic feet of air per minute for each person employed in that eight hour period in the working space of the foundry.

(3) Every foundry in which,

- (a) any metal other than iron, steel, aluminum, brass, bronze or magnesium is cast; and
- (b) any mould or core of other than sand is used,

shall be ventilated at a rate satisfactory to the chief inspector.

(4) Where in a foundry the provisions of clause *a* or *b* of subsection 2 or subsection 3 apply in any combination, the total rate of ventilation required shall be the sum of the rates applicable under each provision.

(5) Any local exhaust ventilation while in operation may be computed in determining the rate of general ventilation at a value of twice the volume of the local exhaust ventilation.

(6) Every foundry in operation when this Regulation comes into force and that has a ceiling height of less than sixteen feet above the working space and in which,

- (a) iron, steel or aluminum is cast into sand moulds or with the use of sand cores shall be provided with general ventilation at a rate that is,
  - (i) the rate prescribed in clause *a* of subsection 2, plus
  - (ii) 5 per cent of the rate prescribed in clause *a* of subsection 2 for each foot or part thereof of the difference between sixteen feet and the ceiling height of the foundry in feet;
- (b) brass, bronze or magnesium is cast into sand moulds or with the use of sand cores shall be provided with general ventilation at a rate that is,
  - (i) the rate prescribed in clause *b* of subsection 2, plus
  - (ii) 5 per cent of the rate prescribed in clause *b* of subsection 2 for each foot or part thereof of the difference between sixteen feet and the ceiling height of the foundry in feet.

46. Moulding material that adheres to any casting shall not be removed by the use of compressed air or other means whereby dust particles may be disseminated into the air of the working space and are not controlled by local exhaust ventilation.

47. Subject to section 48, every exhaust or dust collection system, stack or outlet used for the discharge of contaminated air shall be so located, designed and constructed as to prevent the entry or return of contaminated air into any building.

48. Where a dust or fume of lead, cadmium or other toxic material is exhausted from a foundry, an inspector may require that equipment be installed to remove the toxic material from the air that is being exhausted.

49.—(1) Subject to subsection 2, no part of any dust collecting system, local exhaust or air cleaning system within any building, except an air-tight discharge duct from a dust collector to the exterior of the building, shall be under positive pressure.

(2) Subsection 1 does not apply to a room in a foundry that is,

- (a) used solely for the housing of dust-collecting equipment; and
- (b) separated from the foundry by a dust-tight partition.

(3) Subject to subsection 4, every collector that collects aluminum or magnesium dust shall be located outside the foundry or any other building unless the collector is located in a room,

- (a) used solely for the housing of dust-collecting equipment; and
- (b) separated from the rest of the foundry by a dust-tight partition that is so constructed that it is fire resistive for at least one hour; and
- (c) constructed to provide adequate explosion relief to the outdoors.

(4) Subsection 3 does not apply to any collector using water to collect aluminum or magnesium dust.

50. The velocity of air in the ducts of every dust collection system shall not be less than 3500 feet per minute except where the air is leaving the dust collector.

51. While any process producing any noxious dust, fume, gas, smoke, vapour or heat in a foundry is in operation, the exhaust system installed to remove such emanation or emanations shall be operated continuously.

52. Where, after installation of any foundry ventilation system, the foundry atmosphere or any part thereof is found, upon being tested by any competent person, to contain dangerous amounts of dusts, gases or fumes or to be otherwise unsatisfactory to the chief inspector, the employer, upon direction of the chief inspector, shall make such modification in the ventilation as will eliminate the unsatisfactory condition in the foundry.

#### HEATING

53.—(1) Subject to subsection 2, an inspector may authorize in writing a minimum temperature of 50° F. to be maintained in any working space in any foundry in a building but, where the foundry is heated by means of the heat generated from any process, the temperature for one hour at the beginning of the main operating shift may be less than 50° F.

(2) The temperature of every washroom, locker room, change room or shower room for a foundry shall be kept at not less than 70° F.

54. Any product of combustion from any heating unit for a foundry building shall be directly vented to the outside atmosphere, except where otherwise approved by the chief inspector or by an engineer of the Department.

55. The flow of air from any unit heater or positive pressure hot-air system that heats a foundry shall be so directed that it will not increase the concentration of dust in the breathing zone of any worker or recirculate dust-laden air in the working space.

56. The effect of radiant heat upon persons shall be eliminated or reduced by means of heat shields, heat absorbent or heat reflective panels, cooling coils, air cooling or other means.

57. Any type or arrangement of equipment, method of operation or building construction that does not strictly comply with this Regulation but that provides protection equivalent to that prescribed may be used if its use is approved in writing by the chief inspector.

58. Where, under special circumstances, strict compliance with this Regulation is not adequate for the protection of persons working in a foundry, the chief inspector may require such modifications of building equipment, material or method as he considers necessary.

59.—(1) Any equipment, machinery or device in a foundry for local exhaust, general ventilation, the supply of air or the heating of air that is being supplied is designated as equipment, machinery or a device for the purpose of section 16 of the Act.

(2) No person shall install or alter a system for local exhaust, general ventilation, the supply of air or the heating of air that is being supplied except to make any minor repair, adjustment or identical replacement unless the drawings and specifications thereof have been first approved by an engineer of the Department in the same manner as that provided by section 16 of the Act.

(3) The drawings and specifications of anything referred to in subsection 2 shall,

(a) contain full particulars of,

- (i) any operation producing any dust, fumes, gas, smoke, mists or vapour,
- (ii) the location of any source of the dust, fume, gas, smoke, mists or vapour, and
- (iii) any method proposed for the control of any dust, fume, gas, smoke, mists or vapour referred to in subclause i; and

(b) be prepared by a suitably qualified person.

(4) The installation or alteration may be proceeded with only in accordance with the drawings and specifications as approved.

60.—(1) Subject to subsection 2, the fees to be paid for the approval by an engineer of the Department of drawings and specifications for a system of local exhaust, general ventilation, the supply of air or the heating of air that is being supplied shall be, where the estimated cost approved by him is,

(a) not more than \$100, nil;

(b) more than \$100, but not more than \$1,000, \$10; and

(c) more than \$1,000, the sum of,

(i) \$10, and

(ii) \$2 for each additional \$1,000, or fraction thereof in excess of the first \$1,000.

(2) No fee greater than \$1,000 shall be payable in any event.

## THE INDUSTRIAL STANDARDS ACT

O. Reg. 199/64.

Duties of Employers and Advisory Committees.

Made—July 23rd, 1964.

Filed—July 31st, 1964.

## REGULATION MADE UNDER THE INDUSTRIAL STANDARDS ACT

### DUTIES OF EMPLOYERS AND ADVISORY COMMITTEES

1. In this Regulation,

(a) "decision" includes a ruling, order and finding of fact;

(b) "party concerned" means an appellant or respondent.

2. In addition to the information required by section 11 of the Act, an employer shall include in the record, and keep for a period of at least twelve months after work is performed by an employee,

(a) the amount of wages paid to each employee for the work performed by him,

(i) during the regular working day and the regular working week, and

(ii) other than during the regular working day or the regular working week,

established by any Schedule that applies to the employee and the date of the payment;

(b) the hourly, daily, weekly or monthly rate used in computing wages paid to an employee on time-work;

(c) the amount of each kind of work performed by an employee who is paid on a piece-work or unit-price rate on an incentive or production basis and the piece-work rate or unit-price rate used in computing his wages;

(d) the period of any vacation taken by an employee and the amount of vacation pay paid to the employee or the payment in lieu of vacation with pay and the date of the payment in each case;

(e) the rate of commission or percentage used in computing the wages of an employee who is paid on a commission or percentage basis;

(f) in the case of employers engaged in,

(i) the Barbering Industry as defined in paragraph 1, or

(ii) the Hairdressing Industry as defined in paragraph 1a,

of Appendix D of Regulation 244 of Revised Regulation of Ontario, 1960, the proceeds from the work performed by each employee;

(g) the number of hours of work performed by each employee,

(i) during the regular working day and the regular working week, and

(ii) other than during the regular working day or the regular working week,

established by the Schedule that applies to the employee;

(h) the hours of the day and each day of the week on which work was performed by each employee;

(i) the work or operation performed in the industry by an employee and where a schedule classifies employees, the classification of the employee;

(j) the city, town, village or township where the work or operation was performed; and

(k) the number of hours in each day and week that an employee was required to remain on the employer's premises and was not required to perform any work.

3. Where a Schedule for an industry assesses an employee, the employer shall,

(a) deduct the amount of the assessment from the wages of the employee;

(b) before the 10th day of each month,

(i) remit to the advisory committee established for the Schedule the amount of the assessment deducted under clause a and the amount for which the employer is assessed under the Schedule, and

(ii) furnish the advisory committee with the information required by subsection 1 of section 11 of the Act and the information required by section 2 of this Regulation for the last preceding calendar month.

4. An advisory committee established for a schedule shall,

(a) keep written records of all proceedings and resolutions of each meeting held by it; and

(b) send to the Director forthwith after the meeting a true copy of those records, signed by the members of the committee present at the meeting.

#### APPEALS FROM ADVISORY COMMITTEES

5.—(1) An appeal to the Director from the decision of an advisory committee shall be commenced by filing with the Director a notice of appeal in Form 1.

(2) Subject to subsection 3, a notice of appeal shall be filed within thirty days after the making of the decision.

(3) The Director may at any time before or after the expiry of the thirty-day period extend the time for filing a notice of appeal where the Director is satisfied that an appellant did not comply with subsection 2 because the decision did not come to the appellant's notice in sufficient time for the notice of appeal to be filed within the thirty-day period.

6.—(1) As soon as practicable after a notice of appeal is filed, the Director shall send to the appellant and to each respondent at their addresses stated in the notice of appeal,

(a) a notice of hearing in Form 2; and

(b) a copy of the notice of appeal.

(2) The Director shall allow at least seven clear days between the date of mailing the notice and the date for the hearing.

(3) If any party concerned or any witness fails to attend a hearing on the date and at the time and place appointed, the hearing may proceed and a decision may be made in his absence.

7. At the hearing of an appeal, each party concerned is entitled to hear the evidence against him, to cross-examine thereon, to call witnesses in his behalf and to present argument.

8. A party concerned may conduct his appeal personally or he may be represented by counsel or by any agent acceptable to the Director.

9. Within thirty days after the hearing the Director shall send a true copy of his decision to each party concerned.

10. Regulation 247 of Revised Regulations of Ontario, 1960 is revoked.

## THE POLICE ACT

O. Reg. 200/64.

General.

Made—July 30th, 1964.

Filed—July 31st, 1964.

### REGULATION MADE UNDER THE POLICE ACT

1. Sections 4 to 13 of Regulation 486 of Revised Regulations of Ontario, 1960 are revoked and the following substituted therefor:

4.—(1) Where a constable or other police officer other than the chief constable is charged with an offence against the code, the charge shall be written on a charge sheet in Form 1 and shall be served, as soon as is practicable, upon the person charged together with any report or complaint upon which the charge is founded.

(2) The charge shall give such details of the time and place of the events and circumstances out of which the offence arises as to leave no doubt of the offence referred to.

5. The person charged may inform the chief constable in writing of the names of the members of the police force whom he desires to give evidence at the hearing and the chief constable shall order those members to be present at the hearing.

6.—(1) Where, in the opinion of the chief constable, in the event of conviction of the person charged with an offence he could be adequately dealt with by a reprimand, caution or forfeiture of leave not exceeding three days, the chief constable may, before proceeding with the hearing of the charge, advise the person charged that he may elect summary trial and shall explain to him that in the event of such election,

(a) the person charged shall not be entitled to have counsel;

(b) the evidence need not be given under oath or taken down in writing;

(c) the punishment will be limited to a reprimand, caution or forfeiture of leave not exceeding three days; and

(d) there shall be no appeal therefrom.

(2) Where the person charged does not elect a summary trial under subsection 1, he shall be given at least seven days' notice in writing of the time and place fixed for the hearing.

(3) If the person charged elects summary trial, the chief constable shall hear and decide the charge in accordance with subsection 1.

(4) If the person charged does not elect summary trial, the chief constable shall hear and decide the charge and,

(a) the person charged is entitled to have counsel at the hearing;

(b) the witnesses shall be sworn;

(c) the evidence shall be recorded by some reliable means; and

(d) the chief constable may dismiss the charge or find the person charged guilty and award a punishment under section 11.

(5) At a hearing under this section, the person charged shall have an opportunity of,

- (a) hearing the evidence against him;
- (b) cross-examining the witnesses;
- (c) calling witnesses, whether members of a police force or any other persons, in his defence; and
- (d) presenting his argument,

but if the person charged absconds or refuses or neglects without good and sufficient cause to attend the hearing at the time and place fixed, the case may be decided in his absence.

(6) A decision under this section shall be written upon the charge sheet and a copy shall forthwith be served upon the person charged who shall acknowledge receipt thereof in writing.

(7) Any punishment awarded under this section is subject to the approval of the council or, where there is a board, of the board, and the council or board, as the case may be, may alter or confirm the punishment.

7.—(1) The chief constable may designate the deputy chief constable or, where the rank of inspector is established, any other officer of the rank of inspector or higher who may exercise the powers and perform the duties of the chief constable under section 6.

(2) Where an officer designated by the chief constable hears and decides a charge under section 6, the chief constable may review the decision and punishment and change the decision or punishment as he deems just.

8.—(1) A person found guilty after a hearing under subsection 4 of section 6 may appeal from the decision,

- (a) where there is a board, to the board; or
- (b) where there is no board, to an appeal committee which shall be a committee of council composed of three members of the council appointed by the head of the council.

(2) The appeal may be made by serving a notice thereof in writing upon the clerk of the municipality and upon the chief constable not later than fifteen days after the time of the service of the decision appealed from.

(3) Where the chief constable is served with a notice of appeal under subsection 2, the chief constable shall forward to the appeal committee or board the record of the hearing including all documents, evidence and exhibits considered at the hearing and the appeal committee or board shall decide the appeal from the record but may, in special circumstances, hear such additional evidence as the appeal committee or board deems advisable.

(4) An appeal committee or, where there is a board, the board, may hear any charge against a constable or other police officer in the first instance and subsections 5 and 6 of section 6 apply to the hearing.

9.—(1) A person found guilty by an appeal committee or board may appeal the decision to the Commission by serving notice thereof upon the clerk of the municipality and the chairman of the Commission not later than fifteen days after the time the appellant receives notice of the decision of the appeal committee or board.

(2) Where a notice of appeal is served on the clerk under subsection 1, the appeal committee or board shall forward to the Commission the record of the hearing including all documents, evidence and exhibits considered at its hearing and the Commission shall decide the appeal from the record but may, in special circumstances, hear such additional evidence as the Commission deems advisable.

(3) The decision of the Commission is final.

10. At the hearing of an appeal under section 8 or 9, the appellant and the person making the charge are entitled to appear or be represented by counsel and to present their argument.

11. A member of a police force who is guilty of an offence against the code may be punished by,

- (a) dismissal; or
- (b) being required to resign; or
- (c) reduction in rank; or
- (d) a fine not exceeding \$50; or
- (e) forfeiture of leave or days off; or
- (f) reprimand; or
- (g) caution.

2. Section 15 of Regulation 486 of Revised Regulations of Ontario, 1960 is revoked and the following substituted therefor:

15. The council or, where there is a board, the board shall hear any charge against the chief constable and sections 8 and 9 apply *mutatis mutandis*.

3.—(1) Subsection 1 of section 16 of Regulation 486 of Revised Regulations of Ontario, 1960 is amended by inserting after "council" in the fifth line "or appeal committee thereof".

(2) Subsection 2 of the said section 16 is amended by inserting after "council" in the second line "appeal committee".

4. Clause *b* of section 20 of Regulation 486 of Revised Regulations of Ontario, 1960, as remade by section 3 of Ontario Regulation 287/63, is revoked and the following substituted therefor:

(b) is at least nineteen years of age and is not over the age of thirty-five years plus the total number of years of previous experience in police work.

5. Clause *f* of section 29 of Regulation 486 of Revised Regulations of Ontario, 1960 is amended by striking out "or its equivalent" in the second and third lines.

6. Sections 32 to 41 of Regulation 486 of Revised Regulations of Ontario, 1960 are revoked and the following substituted therefor:

32.—(1) The code of offences against discipline in the Schedule apply to the Force and in the code for the purposes of this Part "chief constable" means the Commissioner.

(2) A contravention of the Act or of this Part by a member of the Force is an offence against the code.

33.—(1) Where a member of the Force is charged with an offence against the code, the charge

shall be served, as soon as is practicable, upon the person charged together with any report or complaint upon which the charge is founded.

- (2) The charge shall give such details of the time and place of the events and circumstances out of which the offence arises as to leave no doubt of the offence referred to.
34. The person charged may inform the Commissioner in writing of the names of the members of the Force whom he desires to give evidence at the hearing and the Commissioner shall order those members to be present at the hearing.
- 35.—(1) Where, in the opinion of the Commissioner or of a deputy or assistant Commissioner designated by the Commissioner, the person charged with an offence, if convicted, could be adequately dealt with by a reprimand, caution or forfeiture of leave not exceeding three days, the Commissioner or designated deputy or assistant Commissioner shall advise the person charged that he may elect summary trial and shall explain to him that in the event of such election,
  - (a) the person charged shall not be entitled to have counsel;
  - (b) the evidence need not be given under oath or taken down in writing;
  - (c) the punishment will be limited to a reprimand, caution or forfeiture of leave not exceeding three days; and
  - (d) there shall be no appeal therefrom.
- (2) Where the person charged does not elect a summary trial under subsection 1, he shall be given at least seven days' notice in writing of the time and place fixed for the hearing.
- (3) If the person charged elects summary trial, the Commissioner or a deputy or assistant Commissioner designated by the Commissioner shall hear and decide the charge in accordance with subsection 1.
- (4) If the person charged does not elect summary trial, the Commissioner or a deputy Commissioner designated by him shall hear and decide the charge and,
  - (a) the person charged is entitled to have counsel at the hearing;
  - (b) the witnesses shall be sworn;
  - (c) the evidence shall be recorded by some reliable means; and
  - (d) the Commissioner or deputy Commissioner, as the case may be, may dismiss the charge or find the person charged guilty and award a punishment under section 37.
- (5) At a hearing under this section, the person charged shall have an opportunity of,
  - (a) hearing the evidence against him;
  - (b) cross-examining the witnesses;
  - (c) calling witnesses, whether members of a police force or other persons, in his defence; and
  - (d) presenting his argument,

but if the person charged absconds or refuses or neglects without good and sufficient cause to attend the hearing at the time and place fixed, the case may be decided in his absence.

- (6) Where a hearing is held under subsection 3 by a deputy Commissioner or assistant Commissioner or under subsection 4 by a deputy Commissioner, the Commissioner may review the decision and punishment and change the decision or punishment as he deems just.
- (7) A decision under this section shall be written upon the charge sheet and a copy shall forthwith be served upon the person charged who shall acknowledge receipt thereof in writing.
- 36.—(1) A person found guilty after a hearing under subsection 4 of section 35 may appeal the decision to the Commission by serving notice thereof upon the Commissioner and the Chairman of the Commission not later than fifteen days after the time the appellant receives notice of the decision of the Commissioner or the deputy Commissioner, as the case may be.
  - (2) Where the Commissioner is served with a notice of appeal under subsection 1, the Commissioner shall forward to the Commission all documents, evidence and exhibits considered at his hearing and the Commission shall decide the appeal from the record but may, in special circumstances, hear such additional evidence as the Commission deems advisable.
  - (3) At the hearing of an appeal the appellant and the person making the charge are entitled to appear or be represented by counsel and to present their argument.
  - (4) The decision of the Commission is final.
- 37.—(1) A member of the Force who is found guilty of an offence against the code may be punished by,
  - (a) dismissal; or
  - (b) being required to resign; or
  - (c) reduction in rank; or
  - (d) a fine not exceeding \$50; or
  - (e) forfeiture of leave or days off; or
  - (f) reprimand; or
  - (g) caution.
- (2) Where a decision imposing punishment under subsection 1 becomes final and action by the Lieutenant Governor in Council is required to implement the punishment, the Commissioner or Commission, as the case may be, imposing the punishment shall submit the decision to the Attorney General for his recommendation to the Lieutenant Governor in Council.
38. During the absence or illness of the Commissioner, the officer acting in his stead shall exercise the powers and discharge the duties of the Commissioner under this Part.

7. Clause *b* of section 44 of Regulation 486 of Revised Regulations of Ontario, 1960 is amended by striking out "active" in the first line.

8. Form 1 of Regulation 486 of Revised Regulations of Ontario, 1960 is revoked and the following substituted therefor:

**THE PENSION BENEFITS ACT, 1962-63****O. Reg. 201/64.**

General.

Made—July 30th, 1964.

Filed—August 4th, 1964.

**REGULATION MADE UNDER  
THE PENSION BENEFITS ACT, 1962-63****GENERAL****1. In this Regulation,**

(a) "accountant" means a public accountant licensed under *The Public Accountancy Act*;

(b) "actuary" means a Fellow of the Society of Actuaries or of the Institute of Actuaries of Great Britain or of the Faculty of Actuaries in Scotland;

(c) "experience deficiency" when applied to a pension plan, means any deficit, determined at the time of a review of the plan, that is attributable to factors other than,

(i) the existence of an initial unfunded liability, or

(ii) the failure of the employer to make any payment as required by the terms of the plan or by the Act or this Regulation;

(d) "fully funded" when applied to a pension plan, means a pension plan that at any particular time has assets that will provide for the payment of all pension and other benefits required to be paid under the terms of the plan in respect of service rendered by employees and former employees prior to that time;

(e) "government" means Her Majesty in right of Ontario, an agent of Her Majesty, or a municipality as defined in *The Department of Municipal Affairs Act*;

(f) "provisionally funded" when applied to a pension plan, means a pension plan that at any particular time has not assets sufficient to make it fully funded but has made provision for special payments sufficient to liquidate all initial unfunded liabilities or experience deficiencies;

(g) "special payment" means a payment or payments made to or under a pension plan for the purpose of liquidating an initial unfunded liability or experience deficiency in accordance with section 2;

(h) "initial unfunded liability" means the amount by which, on the 1st day of January, 1965, or the date on which the plan qualifies for registration, or subsequently as the result of an amendment, the assets are required to be augmented to ensure that the plan is fully funded.

2.—(1) An application for registration of a pension plan shall be in Form 1.

(2) Every pension plan submitted for registration shall include a provision for funding which shall set forth the obligation of the employer to contribute both in respect of the current service cost of the plan and in respect of any initial unfunded liabilities and experience deficiencies.

(3) The employer shall pay currently into any plan or fund providing pensions for his employees,

(a) all current service costs, including any contributions made by employees;

(b) where the plan has an initial unfunded liability, special payments consisting of equal annual amounts sufficient to liquidate such initial unfunded liability over a term not exceeding,

(i) in the case of an initial unfunded liability existing on the 1st day of January, 1965, in any plan established before that date, twenty-five years from that date, and

(ii) in the case of an initial unfunded liability resulting from an amendment to a pension plan made on or after the 1st day of January, 1965, or resulting from the establishment of a pension plan on or after the 1st day of January, 1965, fifteen years from the date of such amendment or establishment;

(c) where a pension plan has an experience deficiency, special payments consisting of equal annual amounts sufficient to liquidate such experience deficiency over a term not exceeding five years from the date on which the experience deficiency was determined.

(4) The liquidation of initial unfunded liabilities or experience deficiencies may be accelerated at any time.

(5) Where an insured pension plan established before the 1st day of January, 1965 is funded by level annual premiums to retirement age for each individual member, it shall be deemed to meet the requirements of subclause i of clause b of subsection 3.

3.—(1) On or before the 1st day of January, 1966 in the case of pension plans registered on or before that date, or within sixty days after the date of establishment of the plan in other cases, the employer shall submit a report of the person authorized by section 5 certifying,

(a) the estimated cost of benefits in respect of service in the first year during which such plan is registered and the rule for computing such cost in subsequent years up to the date of the next report;

(b) the initial unfunded liability, if any, for benefits under the pension plan as at the date on which the plan qualified for registration; and

(c) the special payments required to liquidate such initial unfunded liability in accordance with section 2.

(2) Where an insured pension plan is funded by level annual premiums extending not beyond the retirement age for each individual member, the report may certify the adequacy of the premiums to provide for the payment of all benefits under the plan in lieu of the matters required to be certified under clauses a, b and c of subsection 1.

4.—(1) The employer in respect of a registered pension plan shall cause the plan to be reviewed by a person authorized by section 5 not more than five years after registration and at intervals of not more than five years thereafter and the person reviewing the plan shall prepare a report certifying,

(a) the estimated cost of benefits in respect of service in the next succeeding year and the rule for computing such cost in subsequent years up to the date of the next report;

(b) the surplus or the experience deficiency in the pension plan after making allowance for the present value of all special payments required to be made in the future by the employer as determined by previous reports; and

(c) the special payments which will liquidate any such experience deficiency over a term not exceeding five years.

(2) The employer shall file the report with the Commission upon its receipt.

(3) If the report of a person authorized by section 5 discloses a surplus in a pension plan, the amount of any future payments required to be made to the fund or plan may be reduced by the amount of such surplus.

5. The reports and certificates referred to in sections 3 and 4 shall be made by an actuary, except that reports and certificates in respect of,

(a) a pension plan under which all benefits are determined on a money purchase basis and purchased from an insurer on or before retirement;

(b) a pension plan underwritten by a contract or contracts with an insurance company, other than such a contract operating on the deposit administration or segregated fund principle;

(c) a pension plan underwritten by a contract or contracts issued under the *Government Annuities Act* (Canada); or

(d) a pension plan under which the solvency does not in the opinion of the Commission substantially depend on the probabilities of future death, retirement or termination of service,

may be made by an accountant or a qualified officer of the insurance company or of the trust company, or of the Annuities Branch, Department of Labour (Canada) administering the plan.

6. The annual information return required under subsection 4 of section 14 of the Act in respect of every registered pension plan shall include,

(a) a report on the financial operations of the pension plan for the fiscal year showing the aggregate of the amounts paid to the pension plan for current services and the aggregate of the special payments paid to the pension plan;

(b) in the case of a non-insured plan or a plan operating on the segregated fund principle, a report showing by categories the amounts of the loans and investments of the assets of the pension plan; and

(c) a statistical report setting forth the membership position of the plan.

7.—(1) Every pension plan shall be deemed to be solvent if it is fully funded or provisionally funded.

(2) A pension plan administered for employees of a government shall be deemed to be solvent if,

- (a) each year the cost of current service benefits for that year is paid;
- (b) interest is paid on the amount of any initial unfunded liability at the 1st day of January, 1965, at an annual rate calculated to prevent an increase in liability;
- (c) any initial unfunded liability created by an amendment to the plan is liquidated by special payments over a term not exceeding fifteen years from the date of such amendment; and
- (d) any experience deficiency is liquidated by special payments over a term not exceeding five years from the date on which such experience deficiency was revealed.

8. Where a registered pension plan is amended, the employer shall immediately file with the Commission a copy of the amendment and such additional information and reports as the Commission requires to determine the amount of initial unfunded liability created by the amendment and the special payments required to liquidate the initial unfunded liability.

9. Upon application for registration of a pension plan having the number of members shown in column 1 of the following Table, the employer shall pay the registration fee set opposite thereto in column 2:

TABLE OF REGISTRATION FEES

COLUMN 1	COLUMN 2
Number of Plan Members	Registration Fee
0-9	\$ 2.00
10-99	10.00
100 and over	50.00

10.—(1) Every pension plan filed with the Commission for registration shall be accompanied by a certified copy of the trust deed, insurance contract, by-law or other document under which such plan is constituted.

(2) The Commission may, at any time upon reasonable notice, require an employer to obtain and file such special reports as the Commission requires.

(3) Where the Commission does not accept a pension plan for registration, the Commission shall state the reasons for rejection in the advice sent to the employer under section 16 of the Act.

11. Every pension plan shall define the benefits provided by the plan, the method of determination and the payment of benefits, conditions for qualification for membership in the plan and the financial arrangements made to ensure provisional or full funding of benefits under the plan.

12. Where a pension plan is discontinued, no part of the assets of the plan shall revert to the employer until provision has been made for all pensions and other benefits in respect of service up to the date of the discontinuance to members of the plan and for all benefits to pensioners, dependants and estates in accordance with the terms of the plan.

13.—(1) The commuted value of a deferred life annuity shall be calculated using a rate of interest and mortality table and in such manner as may be approved by the Commission.

(2) In the case of an insured pension plan of the individual policy type, the deferred life annuity referred to in clause a of subsection 1 of section 18 of the Act shall be equal to the paid-up annuity under the policy.

14. Where a pension plan has provision in effect on the 1st day of January, 1965 for the payment of a supplemental or minimum make-up annuity that is not on the average a substantial portion of the total annuity of employees retiring under the plan, the supplemental or minimum make-up annuity may, with the approval of the Commission, be excluded in computing the pension benefit.

15.—(1) This section applies notwithstanding the provisions of any pension plan or any instrument governing the plan.

(2) The funds of a pension plan may be invested and loaned only in investments and loans in which a company may invest and lend under subsections 1, 2, 5, 6 and 10 of section 63 of the *Canadian and British Insurance Companies Act* (Canada), and the restrictions and limitations contained therein apply.

(3) Where a pension fund owns securities of a corporation and as a result of a *bona fide* arrangement for the reorganization or liquidation of the corporation or for the amalgamation of the corporation with another corporation, such securities are to be exchanged for bonds, debentures or other evidences of indebtedness, or shares not eligible as investments under subsection 2, the pension fund may accept such bonds, debentures or other evidences of indebtedness or shares, but, unless it is shown to the satisfaction of the Commission that such bonds, debentures or other evidences of indebtedness or shares are not inferior in status or value to the securities for which they have been substituted or unless they become eligible as investments under this section, they shall be an asset of the fund only for a period of five years after their acceptance, or such further period as the Commission may from time to time determine.

(4) The funds of a pension plan may be invested or loaned in investments or loans not authorized by subsection 2 or 3, including investments in real estate or leaseholds, subject to the following provisions:

1. Investments in real estate or leaseholds under this subsection shall be made in Canada and only for the production of income and may be made either alone or jointly with another plan and the fund or plan may hold, maintain, improve, develop, repair, lease, sell or otherwise deal with or dispose of such real estate or leaseholds, but the total investment of a fund under this subsection in any one parcel of real estate or in any one leasehold shall not exceed one-half of one per cent of the book value of the total assets of the fund.
2. This subsection shall be deemed not to enlarge the authority conferred by subsections 1 and 2 of section 63 of the *Canadian and British Insurance Companies Act* (Canada) to invest in mortgages or hypothecs and to lend on the security of real estate or leaseholds, and not to affect the operation of sub-paragraphs i and ii of paragraph 1 of subsection 1 of the said section 63.
3. The total book value of the investments and loans made under this subsection and held by the fund, excluding those that are or at any time since acquisition have been eligible apart from this subsection, shall not exceed 7 per cent of the book value of the total assets of the fund.

- (5) The funds of a pension plan shall not be lent to,

  - (a) the wife or a child of the employer or, where the employer is a corporation, a director or officer of the corporation or his wife or child;
  - (b) a corporation of which more than one-half of the shares of the capital stock are owned by the wife or a child of the employer, or any combination thereof or, where the employer is a corporation, by a director or officer of the employer corporation or his wife or child, or any combination thereof;
  - (c) an officer or employee of the fund or plan or an administrator or trustee of the fund or plan or an officer or employee of an administrator or trustee of the fund or plan or a union representing employees of the employer or an officer or employee of the union, or the wife or child of any of them; or
  - (d) the wife or child of an employee of the employer or an employee of the employer except on the security of a mortgage on residential real estate.

(6) The funds of a pension plan shall not be invested or loaned if the result of the investing or loaning would be that more than 10 per cent of the book value of the total assets of the fund are invested in the assets of or loaned to any one corporation, partnership, association or person, including investment in shares, bonds, debentures or other evidences of indebtedness, loans by way of mortgage or otherwise and investment in
- real estate, plant or equipment occupied or used by the corporation, partnership, association or person.

(7) All investments and deposits of the funds of a pension plan and all loans made out of a pension fund shall be made in the name of the fund or plan, and no officer or employee of the fund or plan, no trustee or administrator or officer or employee thereof, no employer, officer or employee thereof, no association of employees and no union, officer or employee thereof shall accept or be the beneficiary of, either directly or indirectly, any fee, brokerage, commission, gift or other consideration for or on account of any loan, deposit, purchase, sale, payment or exchange made by or on behalf of the pension fund.

(8) Notwithstanding subsections 2 and 3, the funds of a pension plan may be invested in a pooled, segregated or mutual fund that is limited in its investments and loans to those the pension plan is authorized to make under this section and subject to the same limitations and restrictions.

(9) A pension fund or plan may take additional securities of any nature further to secure the repayment to the fund of any loan or investment, or further to secure the sufficiency of any of the securities in or upon which such fund or plan is authorized to invest or lend any of its funds.

(10) Where, on the date the fiscal year of a pension fund ends next following the date this Regulation comes into force, the loans and investments of a pension fund do not conform in whole or in part to the provisions of this Regulation, they shall be brought into conformity within five years of the end of such fiscal year.

## Proclamation

(Great Seal of Ontario)

W. EARL ROWE

PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of the United Kingdom, Canada and Her other Realms and Territories Queen, Head of the Commonwealth, Defender of the Faith.

TO THE HONOURABLE ARTHUR KELLY, of Our City of Toronto, in our Province of Ontario, A Justice of Our Court of Appeal of Ontario, and One of Our Counsel learned in the law.

GREETING:

PROCLAMATION

WHEREAS in and by Chapter 323 of The Revised Statutes of Ontario, 1960, entitled "The Public Inquiries Act", it is enacted that whenever Our Lieutenant Governor in Council deems it expedient to cause inquiry to be made concerning any matter connected with or affecting the good government of Ontario or the conduct of any part of the public business thereof or of the administration of justice therein and such inquiry is not regulated by any special law, he may, by Commission, appoint one or more persons to conduct such inquiry and may confer the power of summoning any person and requiring him to give evidence on oath and to produce such documents and things as the commissioner or commissioners deem requisite for the full investigation of the matters into which he or they are appointed to examine;

AND WHEREAS Our Lieutenant Governor in Council of Our Province of Ontario deems it expedient to cause inquiry to be made concerning the matters hereinafter mentioned:

NOW KNOW YE that WE, having and reposing full trust and confidence in you the said Arthur Kelly DO HEREBY APPOINT you to be Our Commissioner,

1. To investigate, inquire into and report upon:

- (a) the events involved in and the causes of the recent fluctuations in the prices of the shares of,
  - (i) Windfall Oils & Mines Limited, and
  - (ii) such other mining corporations as you may deem fit in relation to the recent mineral discoveries in the Timmins area; and

(b) the circumstances and events pertaining to the recent sales, purchases and other dealings in the shares of Windfall Oils & Mines Limited and of any such other mining corporations, and the activities and conduct of any person, company, corporation or organization in relation, whether direct or indirect, to such sales, purchases and other dealings; and

(c) the function, role and activities of the Toronto Stock Exchange and the Ontario Securities Commission in connection with the matters set out in (a) and (b) above;

2. To make such recommendations in regard to the above as you may deem fit.

AND WE DO HEREBY CONFER on you, Our said Commissioner, the power to summon any person and require him to give evidence on oath and to produce such documents and things as you Our said Commissioner deem requisite for the full investigation of the matters into which you are appointed to examine;

AND WE DO HEREBY FURTHER ORDER that all our departments, boards, agencies and committees shall assist you, Our said Commissioner, to the fullest extent, and that in order to carry out your duties and functions, you shall have the authority to engage such counsel, research and other staff and technical advisers as you deem proper;

TO HAVE, HOLD AND ENJOY the said Office and authority of Commissioner for and during the pleasure of Our Lieutenant Governor in Council for Our Province of Ontario.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made Patent, and the Great Seal of Our Province of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE WILLIAM EARL ROWE,  
A Member of Our Privy Council for Canada, Doctor of Laws, LIEUTENANT GOVERNOR OF OUR PROVINCE OF ONTARIO,

at our City of Toronto in Our said Province, this thirteenth day of August in the year of Our Lord one thousand nine hundred and sixty-four and in the thirteenth year of Our Reign.

BY COMMAND

JOHN YAREMKO,  
Provincial Secretary and  
Minister of Citizenship.

## Application to Parliament Private Bills

### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

**SCHEDULE A.**—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in

the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

**COUNTY OF LINCOLN**

---

UNDER AND BY VIRTUE of my office and of a Writ of Fieri Facias, issued out of the County Court of the County of Wentworth and to me directed, against the goods and chattels and lands and tenements of Elmer Alligood and Faith Alligood, at the suit of Interprovincial Building Credits, Ltd., and also of a Writ of Fieri Facias, issued out of the County Court of the County of Wentworth, and to me directed, against the goods and chattels and lands and tenements of Elmer C. Alligood and Faith Alligood, at the suit of Tisco Sales (Ontario) Ltd., I have seized and taken in execution all the right, title, interest and equity of redemption of the said Elmer C. Alligood and Faith Alligood, in, to and out of:

All and Singular that certain parcel or tract of land and premises, situate, lying and being in the City of St. Catharines, in the County of Lincoln, and being composed of Lot 11 on the west side of Brighton Avenue, as shown on the plan of Sunnyside Gardens registered in the Registry Office for the Registry Division of the County of Lincoln as Plan No. 107 for the City of St. Catharines, and as also shown on the Plan of Survey which is attached to a conveyance, No. 8765, from the Corporation of the City of St. Catharines to the Luhowsys.

Subject to the right, if any, of the owner or owners, for the time being of the lands immediately adjoining Lot 11 to the west to maintain the encroachment of the existing frame shed now erected on the said adjoining lands on that part of Lot 11, which is more particularly described as follows:

Commencing at a point in the westerly boundary of said Lot 11 distant therein southerly 9.8 feet from the northwest angle thereof which said point is in the northerly face of a frame shed; thence south 2 degrees 14 minutes east in the westerly boundary of the said lot (17.3 feet to the southerly face of the said shed); thence north 88 degrees 42 minutes east in the said southerly face 1.2 feet to the southeast angle of the said shed; thence north 1 degree 34 minutes west in the easterly face of the said shed 17.3 feet to the northeast angle thereof; thence south 88 degrees 42 minutes west in the northerly face of the said shed 1.4 feet more or less to the place of beginning, as shown

on the plan of survey attached to a deed No. 8765 of the said lands from the Corporation of the City of St. Catharines to William and Natalie Lohowy.

On the property there is said to be erected a one-storey frame dwelling house, with garage.

All of which said right, title, interest and equity of redemption of the said Elmer C. Alligood and Faith Alligood, in the said lands and tenements I shall offer for sale by public auction at my office in the Court

House, in the City of St. Catharines, on Friday the 27th day of November, 1964, at three o'clock in the afternoon.

Dated at St. Catharines, this 12th day of August, 1964.

## THE PUBLIC SERVICE ACT, 1961-62

O. Reg. 207/64.

General.

Made—August 4th, 1964.

Approved—August 6th, 1964.

Filed—August 7th, 1964.

## REGULATION MADE UNDER THE PUBLIC SERVICE ACT, 1961-62

1. Subsection 3 of section 16 of Ontario Regulation 190/62 is revoked.

2. Ontario Regulation 190/62 is amended by adding thereto the following sections:

16a.—(1) In this section, "course" means a course of training or education that is not conducted by a department or the Commission and that in the opinion of the deputy minister of a department is necessary for the effective performance of the duties of a civil servant in the department.

(2) The deputy minister of a department may grant a civil servant in his department a leave of absence with pay for a period not exceeding twelve months for the purpose of attending a course and may authorize the payment of one-half of the cost of books but not exceeding \$50, and the payment of the cost of tuition and travelling and living expenses but,

(a) where the leave exceeds twenty days or the total cost exceeds \$400, the deputy minister's grant or authorization is subject to the approval of the Commission; and

(b) where the leave exceeds six months, the deputy minister's grant is subject to the approval of the Lieutenant Governor in Council.

(3) A civil servant attending a course under this section shall,

(a) submit regular personal attendance reports;

(b) be entitled to full attendance and vacation credits while attending the course;

(c) not accept a bursary or scholarship in respect of the course; and

(d) not enter into any other employment during the regular working hours prescribed in section 5.

16b.—(1) In this section, "course" means a course of training or education that is not conducted by a department or the Commission and that, in the opinion of the deputy minister of a department, although not essential for the effective performance of the duties of a civil servant, will provide skill or knowledge of value to the department.

(2) The deputy minister may grant leave of absence without pay or accumulation of credits for a period not exceeding one year to a civil servant for the purpose of attending a course that requires his presence during regular working hours for a period longer than six weeks.

(3) A leave of absence granted under subsection 2 is subject to the certificate of the Commission and also subject to the approval of the Lieutenant Governor in Council where the leave exceeds six months.

(4) Where a civil servant attending a course to which subsection 2 applies does not receive a bursary from the government of Canada under an arrangement with the government of Ontario, the Commission may authorize the payment of the fees of the course and the payment of a bursary for each full month's attendance at a course referred to in column 1 of the following Table of the amount set opposite thereto in column 2 of the Table where the civil servant is unmarried or in column 3 of the Table where the civil servant has a dependent wife or child.

TABLE  
BURSARY SCHEDULE

COLUMN 1	COLUMN 2	COLUMN 3
	Single	with Dependants
Special studies.....	125	175
Studies beyond the level of a bachelor's degree in Ontario.....	150	200
Studies beyond the level of a master's degree in Ontario.....	200	250

(5) Where the amount of bursary under subsection 4, when added to any other scholarship or bursary received by the civil servant in respect of the course, exceeds the salary received by the civil servant immediately before his leave begins, the bursary under subsection 4 shall be reduced by the amount of the excess.

(6) Where a civil servant attends a course by night classes or by correspondence, the deputy minister may, upon the successful completion of the course, authorize the payment of,

(a) one-half the fee therefor; or

(b) where the course is approved by the Commission, the whole fee therefor,

or \$400, whichever is the lesser.

(7) Where a civil servant attends a course requiring his presence during regular working hours for a period of not longer than six weeks and his absence from employment for at least half the period of the course is charged to his accumulated vacation credits or overtime credits, the deputy minister may grant leave of absence with pay for the remainder of the course and the deputy minister may, upon the successful completion of the course, authorize the payment of one-half the fee therefor or \$400, whichever is the lesser.

16c.—(1) The deputy minister of a department may grant a civil servant in the department a leave of absence without pay or accumulation of credits for a period not exceeding one year for the purpose of attending a course to which section 16a or 16b does not apply, subject to the certificate of the Commission where the leave exceeds one month and also subject to the approval of the Lieutenant Governor in Council where the leave exceeds six months.

(2) A leave granted under subsection 1 is not renewable.

16d.—(1) Where a civil servant resigns from the service for the purpose of attending a course, the Commission, upon the application of the civil servant made before resigning and upon the recommendation of his deputy minister, may direct that his attendance credits and vacation credits continue to be held to his credit until the civil servant is re-employed or until two years elapse, whichever occurs first, and such credits shall not be used during the absence.

(2) For the purposes of the Act and the regulations, any leave of absence without pay granted a civil servant under section 16b or 16c or absence for a period not exceeding two years in respect of which a direction has been made under subsection 1 of this section shall not be computed in determining the length of his service and the service before and after the absence shall be deemed to be continuous.

(3) The deputy minister may grant to a civil servant who has attended a course under section 16a, 16b or 16c additional leave of absence with pay for a period not exceeding half a day at a time for the purpose of trying examinations relevant to the course.

(4) Any leave authorized to be granted under section 16a or 16b may, upon proof of satisfactory progress, be renewed in the same manner and subject to the same provisions and conditions as the original granting.

(5) Every deputy minister shall report annually to the Commission all leaves of absence exceeding seven calendar days or payments granted or authorized by him without the certificate of the Commission under section 16a, 16b or 16c or this section.

## Application to Parliament Private Bills

### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by

the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

## Application to Parliament Private Bills

### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

## RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the house to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

## TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES

## CORPORATION OF THE TOWNSHIP OF BERTIE

## COUNTY OF WELLAND

To Wit:

BY VIRTUE OF A WARRANT issued by the Reeve of the Township of Bertie, bearing date the 17th day of August, 1964, and to me directed for the collection of the arrears of taxes upon the said lands hereinafter mentioned and described, being in the Township of Bertie, in the County of Welland, I hereby give notice that unless the said taxes together with all costs and charges are sooner paid, I shall on Wednesday, the 9th day of December, 1964, at the hour of 10.00 o'clock in the forenoon, in the Township Hall, Ridgeway, Ontario, proceed to sell by public auction the said lands or as much thereof as shall be sufficient to discharge such arrears of taxes and costs and charges incurred. The lands are all patented. The parcels in the names of Limited Corporations and all other lands are to be sold subject to Corporation Tax Lien or other right, title or interest to the Crown, if any.

AND FURTHER TAKE NOTICE that it is the intention of the Council of the Township of Bertie to purchase at the adjourned sale, if held, all parcel or parcels of land if the price offered is less than the arrears of taxes and costs thereof according to The Assessment Act. The adjourned sale will be held at the same hour and place on Wednesday, the 16th day of December, 1964, if required.

Dated at the Treasurer's Office, Township of Bertie, this 18th day of August, 1964.

GEORGE FARR,  
Treasurer.

TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES  
MUNICIPALITY OF THE VILLAGE OF CRYSTAL BEACH  
COUNTY OF WELLAND

To Wit:

BY VIRTUE OF A WARRANT issued by the Reeve under the seal of the Corporation of the Village of Crystal Beach to me directed, having date the 17th day of August, 1964, commanding me to levy upon and sell the lands mentioned in the following list for arrears of taxes and costs due thereon, I hereby give notice that unless such arrears of taxes and costs are sooner paid I shall, pursuant to the provisions of The Assessment Act, proceed to sell by public auction the said lands or as much thereof as may be necessary for the payment of the said taxes and costs, at the Municipal Building, Crystal Beach, on Friday, the 11th day of December, 1964, at the hour of 10.00 o'clock in the forenoon.

NOTICE IS HEREBY GIVEN that the list of lands for sale for arrears of taxes was published in THE ONTARIO GAZETTE on the 5th day of September, 1964, and that copies of the said list may be had at the Municipal Office, Crystal Beach.

AND FURTHER TAKE NOTICE that it is the intention of the Council of the Village of Crystal Beach to purchase at the adjourned sale, if held, all parcel or parcels of land if the price offered is less than the arrears of taxes and costs thereof according to The Assessment Act. The adjourned sale will be held at the same hour and place on Friday, the 18th day of December, 1964, if required.

Terms—certified cheque or cash.

Dated at Treasurer's Office, Village of Crystal Beach, this 17th day of August, 1964.

DOUGLAS A. EILER,  
Treasurer.

TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES  
CITY OF OSHAWA

To Wit:

BY VIRTUE OF A WARRANT issued by the Mayor of the City of Oshawa, under his hand and the seal of the Corporation of the City of Oshawa, bearing date the 4th day of August, 1964, to the Treasurer of the City of Oshawa directed, commanding the said Treasurer to levy upon the lands hereinafter set forth, together with the fees and costs thereon, I hereby give notice that unless the taxes and costs be sooner paid, and pursuant to the provisions of The Assessment Act, I shall, on Tuesday, the 15th day of December, 1964, at the hour of 10.00 o'clock in the forenoon, at the Council Chamber of the City Hall in the City of Oshawa, proceed to sell by public auction the lands to discharge such arrears of taxes and costs thereon.

AND NOTICE IS FURTHER GIVEN that in the event of insufficient bids being received to meet such charges and costs together with arrears due on the said lands that an adjourned sale will be held at the same place and at the same hour on Tuesday, the 22nd day of December, 1964, and that at such adjourned sale it is the intention of the Corporation to purchase such lands as remain unsold.

Dated the 4th day of August, 1964.

I. F. MARKSON,  
Treasurer.

## THE FARM PRODUCTS MARKETING ACT

O. Reg. 223/64.

Tobacco—Marketing.

Made—August 28th, 1964.

Filed—August 28th, 1964.

REGULATION MADE UNDER  
THE FARM PRODUCTS MARKETING ACT

1. Regulation 173 of Revised Regulations of Ontario, 1960, as amended by Ontario Regulations 107/63, 108/63, 315/63 and 53/64, is further amended by adding thereto the following sections:

- 10.—(1) There shall be a negotiating agency to be known as "The Negotiating Committee for Tobacco" composed of such persons as are appointed annually after the 15th day of July and before the 1st day of October, as provided in subsections 2 and 3.
- (2) Every buyer licensed by the local board who operates a processing plant in Ontario may appoint one member to the negotiating agency and shall notify the Board and the local board in writing of his name and address not later than the 15th day of September in each year.
- (3) The local board shall appoint a number of members to the negotiating agency that is equal to the number of members of the negotiating agency appointed by the buyers under subsection 2 and shall notify the Board and the buyers who appointed members to the negotiating agency under subsection 2, of their names and addresses not later than the 1st day of October in each year.
- (4) Subject to subsection 5, the members of the negotiating agency appointed under subsections 2 and 3 are and remain members thereof until the 31st day of May of the year next following the year in which the members were appointed.

- (5) Where a member of the negotiating agency appointed under subsections 2 and 3 dies or resigns or is unavailable to act before the expiration of his term of membership, the buyer or the local board, as the case may be, who appointed him shall appoint a person for the unexpired term of the member who died, resigned or was unavailable to act.

11. The Negotiating Committee for Tobacco is empowered to adopt or settle by agreement,

- (a) minimum prices for tobacco or for any class, variety or grade of tobacco;
- (b) terms, conditions and forms of agreements relating to the producing or marketing of tobacco; and
- (c) any charges, costs or expenses relating to the production or marketing of tobacco.

12. A meeting of a negotiating agency may be convened by a notice in writing given by the members of the negotiating agency appointed by the local board or appointed by the buyers to the other members of the negotiating agency at least seven days, but not later than ten days, before the date of the meeting, stating the time and the place of the meeting.

## Application to Parliament Private Bills

### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

## RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

**SCHEDULE A.**—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

### Application to Parliament Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

##### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the house to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

(Oct., 1939)

### Application to Parliament Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

##### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the house to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether the provisions of the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,  
Clerk of Legislative Assembly of Ontario.

## THE BOUNDARIES ACT

## NOTICE OF HEARING

TAKE NOTICE that an application has been made by The Corporation of the County of Lincoln for the purpose of confirming the true location on the ground of the boundaries of Canboro Road running through the Township of Gainsborough, excepting that portion of the said Road bounded on the west by the King's Highway No. 57 and on the east by the line between the east and west halves of Lot 16, Concession I, of the said Township.

AND FURTHER TAKE NOTICE that a draft plan of survey of the said boundaries made by Gary J. Grant, Ontario Land Surveyor, dated the 2nd day of September, 1964, is deposited in my office, New City Hall, Toronto, and may be inspected by any party or parties interested therein on any weekday, between the hours of 9.30 a.m. and 4.30 p.m. Monday through Friday, or at the office of the surveyor at Messrs. Clark and Lane, Ontario Land Surveyors, Lincoln Plaza, Welland, Ontario.

AND FURTHER TAKE NOTICE that any person desiring to object to the confirmation of the said boundaries as shown on the draft plan is required to deliver to me by registered mail or by personal service on or before the 8th day of October, 1964, a written statement setting forth the nature and grounds of the objection and to serve a copy thereof on the applicant.

AND FURTHER TAKE NOTICE that I have appointed the 14th day of October, 1964, at 2.30 o'clock in the afternoon to hear this application in my office, at which time any person or persons who have filed an objection may appear either personally or through their solicitors to present the evidence in support thereof.

The address of the applicant for service is: 51 James Street, St. Catharines, Ontario.

Dated at my office at the New City Hall, Toronto, this 21st day of September, 1964.
